Dear Ms. Dortch:

On behalf of the above referenced licensees, we hereby respectfully request an extension of time within which to file the post consummation ownership reports for these licensees and their parent entities for the applications referenced through the 2021 biennial ownership report deadline. Obtaining the information necessary to complete the reports following the grant of the Petition for Declaratory Ruling is underway. The requested extension will allow the licensees to avoid duplicative filings and prepare one set of reports that fulfills both its post-consummation and biennial reporting obligations.

If any questions arise concerning this matter, kindly contact the undersigned.

Respectfully submitted,

Kathleen A. Kirby
