

**Statement of limitations of commercials during children's programming.
WJYL-CD 2023 1st, 2nd, 3rd and 4th Qtr.**

I certify that WJYL-CD has complied with FCC rules regarding limitations of commercials during children's programming under the following. Furthermore WJYL-CD only airs Public Service announcements or appropriate station promotional announcements during the local insert of breaks during Core E/I programming.

The FCC's rules limit the amount of commercial matter that can be aired in certain children's television programming to 10.5 minutes per hour on weekends, and 12 minutes per hour on weekdays. These requirements apply to television broadcasters, cable operators, and satellite providers. These limitations are prorated for programs that are shorter than one hour in duration. The programming at issue for the commercial time limits is programming originally produced and aired primarily for an audience of children 12 years old and younger.
