1st Quarter 2019

1. November 30th 2018 Tornado.
 2. Illinois River and Lake Water safety with GRDA.
 3. Blood Drives
 4. Abuse
 5. Tenkiller Area Community Organization
-
1. KEOK / KTLQ broadcasted live during the November 30th 2018 tornado that tracked across Cherokee County in Oklahoma. In January 2019, the stations also had coverage after the storm with a representative from the SBA, and aired information about the relief efforts from various benefits that are supporting clean up and repairs.
 2. KEOK / KTLQ interviewed Ed Fite with the GRDA (Grand River Dam Authority) regarding the storm damage, and flooding in November. Also conducted a morning show interview on Illinois River and Lake Water Safety, and a 15 minute special Community Chat program aired to help get the word out to listeners.
 3. KEOK / KTLQ have partnered with the Oklahoma Blood Institute with continuing efforts to get blood donations from the community. Various Blood Drives from the OBI and interviews continue on the radio in order to keep the supply of blood to local hospitals.
 4. KEOK / KTLQ ran a special 15 minute Community Chat program with Leah Moore from Help In Crisis, discussing abuse and sexual assault on women and children. Morning show interviews were broadcasted to help with awareness and leading up to the April 20th Annual Walk A Mile In Her Shoes event.
 5. KEOK / KTLQ aired cleanup efforts and benefits for TACO (Tenkiller Area Community Organization). TACO supports all of the charities around Lake Tenkiller, they were hit by the November 30th Tornado. They still hold benefits for charities; however they need support as well. We started a fundraiser campaign to help TACO recover and repair their facilities.

U.S. SMALL BUSINESS ADMINISTRATION FACT SHEET - DISASTER LOANS

OKLAHOMA Declaration #15843 & #15844

(Disaster: OK-00128)

Incident: TORNADOES, SEVERE STORMS & STRAIGHT-LINE WINDS

occurring: November 30 through December 1, 2018

in Cherokee County, Oklahoma;

and the contiguous Oklahoma counties of: Adair, Delaware, Mayes, Muskogee, Sequoyah & Wagoner

Application Filing Deadlines:

Physical Damage: February 19, 2019

Economic Injury: September 20, 2019

If you are located in a declared disaster area, you may be eligible for financial assistance from the U.S. Small Business Administration (SBA).

What Types of Disaster Loans are Available?

- Business Physical Disaster Loans – Loans to businesses to repair or replace disaster-damaged property owned by the business, including real estate, inventories, supplies, machinery and equipment. Businesses of any size are eligible. Private, non-profit organizations such as charities, churches, private universities, etc., are also eligible.
- Economic Injury Disaster Loans (EIDL) – Working capital loans to help small businesses, small agricultural cooperatives, small businesses engaged in aquaculture, and most private, non-profit organizations of all sizes meet their ordinary and necessary financial obligations that cannot be met as a direct result of the disaster. These loans are intended to assist through the disaster recovery period.
- Home Disaster Loans – Loans to homeowners or renters to repair or replace disaster-damaged real estate and personal property, including automobiles.

What are the Credit Requirements?

- Credit History – Applicants must have a credit history acceptable to SBA.
- Repayment – Applicants must show the ability to repay all loans.
- Collateral – Collateral is required for physical loss loans over \$25,000 and all EIDL loans over \$25,000. SBA takes real estate as collateral when it is available. SBA will not decline a loan for lack of collateral, but requires you to pledge what is available.

What are the Interest Rates?

By law, the interest rates depend on whether each applicant has Credit Available Elsewhere. An applicant does not have Credit Available Elsewhere when SBA determines the applicant does not have sufficient funds or other resources, or the ability to borrow from non-government sources, to provide for its own disaster recovery. An applicant, which SBA determines to have the ability to provide for his or her own recovery is deemed to have Credit Available Elsewhere. Interest rates are fixed for the term of the loan. The interest rates applicable for this disaster are:

Loan Types	No Credit Available Elsewhere	Credit Available Elsewhere
Home Loans	2.000%	4.000%
Business Loans	3.740%	7.480%
Non-Profit Organizations	2.750%	2.750%

Economic Injury Loans

Loan Types	No Credit Available Elsewhere	Credit Available Elsewhere
Businesses & Small Agricultural Cooperatives	3.740%	N/A
Non-Profit Organizations	2.750%	N/A

What are Loan Terms?

The law authorizes loan terms up to a maximum of 30 years. However, the law restricts businesses with credit available elsewhere to a maximum 7-year term. SBA sets the installment payment amount and corresponding maturity based upon each borrower's ability to repay.

What are the Loan Amount Limits?

- **Business Loans** – The law limits business loans to \$2,000,000 for the repair or replacement of real estate, inventories, machinery, equipment and all other physical losses. Subject to this maximum, loan amounts cannot exceed the verified uninsured disaster loss.
- **Economic Injury Disaster Loans (EIDL)** – The law limits EIDLs to \$2,000,000 for alleviating economic injury caused by the disaster. The actual amount of each loan is limited to the economic injury determined by SBA, less business interruption insurance and other recoveries up to the administrative lending limit. EIDL assistance is available only to entities and their owners who cannot provide for their own recovery from non-government sources, as determined by the U.S. Small Business Administration.
- **Business Loan Ceiling** – The \$2,000,000 statutory limit for business loans applies to the combination of physical, economic injury, mitigation and refinancing, and applies to all disaster loans to a business and its affiliates for each disaster. If a business is a major source of employment, SBA has the authority to waive the \$2,000,000 statutory limit.
- **Home Loans** – SBA regulations limit home loans to \$200,000 for the repair or replacement of real estate and \$40,000 to repair or replace personal property. Subject to these maximums, loan amounts cannot exceed the verified uninsured disaster loss.

What Restrictions are there on Loan Eligibility?

- **Uninsured Losses** – Only uninsured or otherwise uncompensated disaster losses are eligible. Any insurance proceeds which are required to be applied against outstanding mortgages are not available to fund disaster repairs and do not reduce loan eligibility. However, any insurance proceeds voluntarily applied to any outstanding mortgages do reduce loan eligibility.
- **Ineligible Property** – Secondary homes, personal pleasure boats, airplanes, recreational vehicles and similar property are not eligible, unless used for business purposes. Property such as antiques and collections are eligible only to the extent of their functional value. Amounts for landscaping, swimming pools, etc., are limited.
- **Noncompliance** – Applicants who have not complied with the terms of previous SBA loans may not be eligible. This includes borrowers who did not maintain flood and/or hazard insurance on previous SBA loans.

Note: Loan applicants should check with agencies / organizations administering any grant or other assistance program under this declaration to determine how an approval of SBA disaster loan might affect their eligibility.

Is There Help with Funding Mitigation Improvements?

If your loan application is approved, you may be eligible for additional funds to cover the cost of improvements that will protect your property against future damage. Examples of improvements include retaining walls, seawalls, sump pumps, etc. Mitigation loan money would be in addition to the amount of the approved loan, but may not exceed 20 percent of total amount of physical damage to real property, including leasehold improvements, and personal property as verified by SBA to a maximum of \$200,000 for home loans. It is not necessary for the description of improvements and cost estimates to be submitted with the application. SBA approval of the mitigating measures will be required before any loan increase.

Is There Help Available for Refinancing?

- SBA can refinance all or part of prior mortgages that are evidenced by a recorded lien, when the applicant (1) does not have credit available elsewhere, (2) has suffered substantial uncompensated disaster damage (40 percent or more of the value of the property or 50% or more of the value of the structure), and (3) intends to repair the damage.
- **Businesses** – Business owners may be eligible for the refinancing of existing mortgages or liens on real estate, machinery and equipment, up to the amount of the loan for the repair or replacement of real estate, machinery, and equipment.
- **Homes** – Homeowners may be eligible for the refinancing of existing liens or mortgages on homes, up to the amount of the loan for real estate repair or replacement.

What if I Decide to Relocate?

You may use your SBA disaster loan to relocate. The amount of the relocation loan depends on whether you relocate voluntarily or involuntarily. If you are interested in relocation, an SBA representative can provide you with more details on your specific situation.

Are There Insurance Requirements for Loans?

To protect each borrower and the Agency, SBA may require you to obtain and maintain appropriate insurance. By law, borrowers whose damaged or collateral property is located in a special flood hazard area must purchase and maintain flood insurance. SBA requires that flood insurance coverage be the lesser of 1) the total of the disaster loan, 2) the insurable value of the property, or 3) the maximum insurance available.

Applicants may apply online, receive additional disaster assistance information and download applications at <https://disasterloan.sba.gov/ela>. Applicants may also call SBA's Customer Service Center at (800) 659-2955 or email disastercustomerservice@sba.gov for more information on SBA disaster assistance. Individuals who are deaf or hard-of-hearing may call (800) 877-8339. Completed applications should be mailed to U.S. Small Business Administration, Processing and Disbursement Center, 14925 Kingsport Road, Fort Worth, TX 76155.

Tahlequah Friends of the Library is holding a half-price table sale of mostly fiction beginning Wednesday, January 9, and continuing at least two weeks. Hardbacks are 50 cents and paperbacks are 25 cents. This is a great opportunity to stock up on reading material at bargain prices.

The sale will be held in the main area of the Tahlequah Public Library, 120 South College, during the hours the Library is open.

TFOL also has a nice selection of vintage books and coffee table books at bargain prices at Unique Vintiques, northeast corner of Muskogee and Choctaw. Currently available is a rare find at a great price, the 50-volume Harvard Classics Five Foot Shelf of Books for \$100.

All proceeds from sale of books will go to support the Library and its many programs for all ages.

FOR IMMEDIATE RELEASE: Friday, Jan 11th, 2019

CONTACT: Rusty Clark, (918)456-2261

Voter Registration Deadline is January 18th

Friday, January 18th, is the last day to apply for voter registration in order to be eligible to vote in the February 12th Tahlequah Municipal Election, Cherokee County Election Board Secretary Rusty Clark said today.

Clark said that persons who are United States citizens, residents of Oklahoma, and at least 18 years old may apply to become registered voters.

Those who aren't registered or need to change their registration may apply by filling out and mailing an Oklahoma Voter Registration Application form in time for it to be postmarked no later than midnight Friday, January 18th.

Clark said applications postmarked after that time will be accepted and processed, but not until after February 12th.

The County Election Board responds in writing to every person who submits an application for voter registration. The response is either a voter identification card listing the new voter's precinct number and polling place location or a letter that explains the reason or reasons the application for voter registration was not approved. Clark said any person who has submitted a voter registration application and who has not received a response within 30 days should contact the County Election Board office.

Oklahoma Voter Registration Application forms are available at the County Election Board office located at 914 S. College Ave, Tahlequah, OK. 74464, and at most post offices, tag agencies and public libraries in the county. Applications also are available at www.elections.ok.gov.

Benefit:

Mike Osburn (OZ) 54 - is a loving husband, father of two, grandpa of two and has been a long time resident of the Tahlequah area. He worked as an RN at W.W. Hastings Indian hospital for 15 years but this past June due to multiple health complications he was required to take an early retirement. His health is still deteriorating and he is in need of a Kidney transplant. As a first step in many to come, we are needing to raise \$5,000 to place in an account that is reserved for his anti-rejection medication before they will allow him to even be placed on the transplant list. Mike has served this community as a nurse for so many years and never asked for anything in return, it's our turn now to help him.

Any cash donations or donations for the auction are greatly appreciated.

Please contact the following for donations:

TENKILLER AREA COMMUNITY ORGANIZATION

P.O. Box 37
COOKSON, OKLAHOMA 74427

March 6, 2019

The November 30th Cookson F-3 tornado did tremendous damage to the TACO grounds including the destruction of most all the trees, the outdoor cookshack and taking the roof off of the stage that isn't covered by insurance. The electric poles were also knocked down. The insurance company has not settled the claim for losses concerning the main building. The electricity was pulled away from that building. This organization has lost income the last three months due to not being able to host fundraisers, building rental etc.

Tenkiller Area Community Organization 501(c)(3)(TACO) realized that paying for quality entertainment was well worth the investment. Entertainment is currently being booked for June 14-15, 2019. This will be the 44th annual Cookson Jubilee. This event is the longest continuing event held in Cherokee County. The Payne Radio Group is graciously working with TACO to schedule the entertainment. Lou Kelly, operations manager is the contact person for the music. He will also be the Master of Ceremonies.

The 2019 Cookson Jubilee will be very successful with the help of your monetary contributions. Donations received now will be used to help rebuild. TACO is totally supported by volunteers and their time. They receive no city or county tax dollars or help from service organizations that have national ties. Money raised is re-invested for the betterment of the Lake Tenkiller community such as: community dinners, benefit sales, annual Easter egg hunt, Christmas for Veterans and low income children along with other activities.

TACO would greatly appreciate your help this year. As in years' past, businesses will be promoted throughout the event. As a reminder, TACO is a 501 (c) (3) organization. If you have further questions, please contact Cindy Ballew call or text (918-931-7811) or email tacocookson@gmail.com or facebook a message to TACO Cookson.

Thank you for mailing your contributions to TACO/Jubilee PO Box 37, Cookson OK 74427-0037.

Sincerely;

Cindy Ballew- TACO President,
the Executive board and members
