

4th Quarter 2020

Issues and Programs List

- 1. Children in The Courts System*
 - 2. Crescent Valley Feeds Tahlequah*
 - 3. Public Health with Oklahoma Blood Institute*
 - 4. Pollution on local bodies of water*
 - 5. Christmas gifts for children in need*
-
- Representatives with Court Appointed Special Advocates of Cherokee Country joined Blake Turner on The Morning Rush. They discussed they're annual fundraiser to raise money for the organization. CASA is a group of volunteer advocates that speak for children that find themselves in the court system at no fault of their own. The representatives joined The Morning Rush once again after the fundraiser to give an update and to thank lakes Country Radio and our listeners.*

 - Crescent Valley Baptist Church talked with Blake Turner on The Morning Rush and also joined Ralph Lynch on our "Community Chat" program. They spoke about their annual event "Crescent Valley Feeds Tahlequah." CVFT is an opportunity for families in need and other members of the community to come together and enjoy fellowship and dinner at no cost.*

- *The Oklahoma Blood Institute hosted 26 blood drives during the final quarter of 2019. Lakes Country Radio partners with OBI to help spread the word about these drives and collect blood from our community. The OBI is the blood supplier for all hospitals in our listening area. OBI regional representative Ashley Hinson joined Blake on The Morning Rush every other Thursday to talk about their blood drives*
- *On October 18th and 19th there was a community wide effort to clean up Lake Tenkiller called "Tidy Up Tenkiller." Don Nowlin with came in on The Morning Rush on September 25th and then again on October 9th to give our listeners information on how they can volunteer. Lake Tenkiller id a vital piece of our area's economy and overall way of life.*
- *Tenkiller Area Community Organization hosted a toy drive in 2019. The items collected during this drive are dontaed to children in need at rural elementary shools. This is a very important drive because Cherokee County is the 10th poorest county in the state of Oklahoma. We collected toys from listeners and employees at the station and Lakes Country Radio on-air personalities talked about it often on their respective shows.*
