

KYOZ Spokane Quarterly Issues and Programs

1st Quarter 2018

KYOZ provides timely weather and street/road closure information to the residents of Spokane on a daily basis. We air 12 weather forecasts per day, and closure information as needed.

KYOZ addressed the issue of child hunger by airing 30 60 second announcements in January about creative ways communities have reduced this issue and providing resources to learn more about how to help.

KYOZ addressed the issue of education. KYOZ aired messages encouraging adults who have not completed their high school education to seek a GED and informed them of resources they can contact to get the process started. These 60-second announcements aired 30 times in February 2018.

KYOZ addressed the issue of the growing landfill and recycling. The messages encourage listeners to be more aware of the things they are throwing away in the trash and to consider recycling those items. These 60-second announcements aired 30 times in March 2018
