

4th Quarter 2017

Community Issues List

1. Education

Local school funding problems. School levy issues. Children are expected to buy more school supplies than in the past. Local high school sports and activity programs getting cut or becoming "pay to play". Plans to build new schools and pass levies. Local school systems' direct effect on the local job market and economy. Impact of local universities expansions on the surrounding communities. "Breakdown" of the traditional family unit and its effect on school's ability to teach a child.

2. Local Political Issues/Public Services

Water quality and the slow resolution of water problems. Speed enforcement cameras and the revenue that they produce. Under staffed and under funded local law enforcement departments. Response time during emergency police calls is too long. Wasteful spending in local government. Arguments between local political figures. Wish for voting records of local political officials to be made public. Local officials and their criminal records. City departments give favored employment positions to family members. Tax values of commercial real estate. Enforcing city ordinances. Safeguards to protect the rights of people.

3. Health

Equal access to adequate health insurance. Using local hospital emergency rooms as a doctor's office. Expressed need for a national health care system. The growing obesity epidemic. Children playing unsupervised near busy local roads.

4. Economy and Employment

Rising cost of energy prices. Large loss of jobs throughout the listening area. Negative local Impact of job outsourcing and automation. Unemployment throughout the country.

5. Environment

Run down houses in local neighborhoods and the money that the city spends to keep them from becoming hazards. Praise and complaints regarding the upkeep and maintenance of local roads. Parking problems in local neighborhoods. People parking illegally near schools and practice fields. Complaints against animal shelters. Problems caused by business and residential neighborhoods being vacated and allowed to deteriorate.

6. Substance Abuse

Drunk driving and the risk it puts the members of the community in. Parents sending wrong message to kids when they drive after drinking. Tobacco addiction. Smoking bans. Need for advertising and intervention programs in the community to help lower teen drinking and drug abuse.

7. Crime

General feeling that no one is interested in lowering the crime rate. Discipline problems in the schools. Families that are the victims of burglary and home invasions. Need for mentoring programs for at-risk youth. Local high-profile criminal cases. Voluntary gun turn in program. Minor street crimes. Crime rate in Akron.
