HOW TREATED: Live Read  
TITLE: Payette Lake Water Safety  
DATE: 8/30/2021-9/4/2021  
DURATION: :60  
TYPE: Announcement  
DESCRIPTION: 8/23/2021: DEQ provided a public report for residents regarding a second round of water quality sampling at Payette Lake which confirmed normal levels of cyanobacteria consistent with high water quality. Final lab results are expected soon following a comprehensive analysis at a national lab that specializes in identifying cyanobacteria and their cyanotoxins. The Idaho Department of Environmental Quality will share that information with the public as soon as it's available.  
DEQ collected samples at three Payette Lake locations, including the western edge of North Beach, a northwestern portion of the lake, and a section between Brown Park and Mile High Marina.

ISSUE: General News  
HOW TREATED: Live Read  
TITLE: Highway Construction Closures  
DATE: 8/26/2021-9/15/2021  
DURATION: :30  
TYPE: Announcement

**DESCRIPTION:** Notifying listeners about major ITD Fall Construction Schedule change coming September 7<sup>th</sup>. Labor Day Weekend, both lanes on ID-55 near Smiths Ferry will be open Friday, Sep. 3, through Monday, Sep. 6, to accommodate holiday travel. Starting Tuesday, Sep. 7, drivers can expect full road closures Monday-Thursday from 10am-2pm. After 2pm., the road will be open to one-way alternating traffic. Please note: the delays may be significant immediately after the road reopens due to large traffic volumes. Once this traffic clears, drivers can expect 15-minute delays. Announcement encouraged drivers to plan ahead and use U.S. 95 as an alternate route.
