## Type of Fundraiser:

*On March 18, 2024, Roger Lonquist, General Manager of this Station, anchored a special broadcast to educate listeners on the work of the Helios Projects, an outreach of Psalm 199 Association, Inc., dba the Helios Projects (“HP”), a non-profit organization which works on behalf of pastors in countries where training is limited or not available by providing educational curriculum on solar-powered MP3 players. The focus of the broadcast was to invite listeners to consider providing funding for the costs involved in producing and distributing MP3 units which were to be distributed in Kenya and South Sudan.*

*The broadcast was simulcast on this Station, and on several other Stations which are owned and/or operated by the Licensee.*

## Tallying of Funds:

*The station received gifts at its studios, online, over the phone, through HP’s call center, and through the mail, before, during and after the broadcast. Approximately \$19,250 was pledged, with approximately 65% of it received by the end of the broadcast. Additional funds collected will be disbursed to HP as listeners pay their pledges.*

## Compensation to Station:

*The Station received NO compensation for this fundraising event. The Station paid all of its own expenses related to the organization and broadcast of this fundraiser, including merchant fees charged to the Station as it received funds on behalf of RHM.*
