2022 QTR 3 Issues Programs List (KHWG)

July 6, 2022, 12:00 PM Time 30:44 And Then I Said with host Chuck N Baker

Radio discussion, host C.N. Baker talked about THE U.S. health care finance system:
Going to a doctor, who sends patients to specialists, then bills insurance, and also collects a
referral fee. The specialist in many cases also refers the patient onward, collecting
insurance and a referral fee, etc. etc.

July 13, 2022, 12:00 PM Time 30:16 And Then I Said with host Chuck N Baker

Radio discussion, host C.N. Baker talked about "thinking twice" about Buy Now, Pay
Later plans. Using some installment payment plans, buyers fall into a trap by spending
more money than they can afford.

July 20, 2022, 12:00 PM Time 30:09 And Then I Said with host Chuck N Baker

  Interview with representative from CASA, Part 1, court appointed individuals who work
to assure sound public policies on issues affecting the Nevada child welfare system, the
well-being of children and youth in state custody, and other policy areas related to the
mission.

July 27, 2022, 12:00 PM Time 32:48 And Then I Said with host Chuck N Baker

 Interview with representative from CASA, Part 2, Along with the local CASA programs
and their volunteers, Nevada CASA engages in a variety of efforts to study, develop and
change public policies. Additionally, Nevada CASA staff and Board Members conduct
research, collaborate with other advocacy and stakeholder groups, participate in special
task forces and engage in other processes to develop and impact policy.

August 3, 2022, 12:00 PM Time 27:12 And Then I Said with host Chuck N Baker

Host discussed what is termed "predatory data collection." Every person should have a choice as to who collects and makes money from their highly persona data. Currently, companies can openly mine data from computers and phones and sell it to a worldwide marketplace.

August 10, 2022, 12:00 PM Time 27:30 And Then I Said with host Chuck N Baker

Adopt A Vet Dental Program, Part 1. Interview with Deme Gonzalez, executive director. Discussed how low-income veterans in need of dental care can apply for free services from local dentists.

August 17, 2022, 12:00 PM Time 26:31 And Then I Said with host Chuck N Baker

Adopt A Vet Dental Program Part 2. Continued discussion with Deme Gonzalez and free dental care for vets, and included health reports on why dental hygiene is important as it affects many parts of the anatomy.

August 24, 2022, 12:00 PM Time 27:10 And Then I Said with host Chuck N Baker

Interview with Daniel Gravich, publisher of the Pahrump "Over the Hump Saver" magazine. Discussed the role of a publisher, how and where the magazine is distributed, who reads it and why.

August 31, 2022, 12:00 PM Time 26:41 And Then I Said with host Chuck N Baker

Host discussed the fact that the U.S. military has been unable to sign up enough recruits to keep the nation's armed forces up to snuff. Many reasons, including lock downs during the pandemic, contribute to the lack of new faces.

September 7, 2022, 12:00 PM Time 26:52 And Then I Said with host Chuck N Baker

Host discussed the state of U.S. health care, giving personal examples, and news from Health and Human Services concerning the national uninsured rate having reach an all-time low.

September 14, 2022, 12:00 PM Time 28:42 And Then I Said with host Chuck N Baker

Interview Part One with Pahrump resident Debra Johnson, a local lender. Discussed lending

practices for residential housing, current state of housing in So. Nevada, how to apply for a loan.

September 21, 2022, 12:00 PM Time 28:15 And Then I Said with host Chuck N Baker

Interview Part Two with Pahrump resident Debra Johnson, a local lender. Discussed

commercial lending, how borrowers are sometimes disqualified for loans, red flags to watch out

for on lending applications.

September 28, 2022, 12:00 PM Time 28:20 And Then I Said with host Chuck N Baker

Host discussed new program(s) from the Veterans Administration where the agency is using

LSD and other drugs in a test program to help veterans with certain medical problems.
