Re: NON-BROADCAST EFFORTS
Date: 1st Quarter 2024

January 1, 2024 – March 31, 2024

WWL, WUPL-TV, WBXN-CD - NON-BROADCAST COMMUNITY EFFORTS

WWL/WUPL/WBXN-CD sponsored and aired promotional announcements for the following non-broadcast community projects during this quarter:

- **Weather Watch:** WWL-TV's exhibit in the Kenner Rivertown district consisting of an array of weather instruments and charts featured as an interactive program enabling school children various ways to track a hurricane and learn about the weather.
- **Weather Link 4:** A worldwide weather system that connects over 1500 schools by providing a unique and useful combination of information, technology and education. During this quarter WWL-TV added four additional local schools to the *Weather Link 4* system. This system comes with curriculum used by teachers in elementary, middle and high schools. *Weather Link 4* provides an interactive window to math and science education.
