III. RECRUITMENT INITIATIVES

	Type of Recruitment Initiative (Menu Selection)	Brief Description of Activity
1	Management-level training regarding methods of ensuring equal employment opportunity and prevention of discrimination and harassment	During the months of March and April of 2023, our SEU participated in harassment prevention training. All hiring managers—Market Manager, Operations Manager, and Hiring Managers—as well as the entire staff were required to complete a series of sessions prepared by the Health & Safety Institute (HSI) entitled, <i>Understanding Harassment</i> and <i>Anti-Harassment – Managers</i> (6 sessions for staff and 9 for managers). The sessions explained what harassment is, provided tips to help understand offenders and targets; offered bystander training; described warning signs, and instructed viewers about how to create a healthy workplace culture. There was additional training for managers about supervisory responsibilities and how to conduct investigations regarding claims of harassment. In order to obtain a certificate of participation, all employees were required to take a quiz following their completion of each session.
2	Management-level training regarding Diversity, Equity, and Inclusion	During the months of March and April of 2023, this SEU participated in additional Diversity, Equity, and Inclusion training. All hiring managers—Market Manager, Operations Manager, and Hiring Managers—as well as the entire staff were required to complete the Health & Safety Institute (HSI) on-line course presented in two segments entitled, <i>Microaggressions</i> and <i>Tokenism</i> . The segments defined these terms, explained how they originated, and provided methods to overcome these behaviors.
3	Management-level training regarding Diversity, Equity, and Inclusion	On April 11, 2023, our SEU’s Market Manager participated in a facilitated session and presentation conducted by the Diversity, Equity, and Inclusion (“DEI”) advisory firm, H3C, entitled, <i>Cumulus Media Interactive Leadership DEI Sessions</i> . This session included group discussions, activities, new tools/techniques for everyday interpersonal behaviors that support DEI, and a “DEI Practice Lab” that focused on Bias and Barriers.

	Type of Recruitment Initiative (Menu Selection)	Brief Description of Activity
4	Management-level training concerning methods of ensuring equal employment opportunity and preventing discrimination	On July 20, 2023, our VP/Market Manager as well as our HR Business Partner participated in a presentation conducted by Cumulus Media Inc.’s Executive Vice President and General Counsel as well as its Director of Centralized HR Operations & Talent Acquisition entitled, “The FCC’s Equal Employment Opportunity Rules: Your Guide to Compliance for Cumulus Market Managers & HR Business Partners.” The FCC’s EEO recruitment, recordkeeping, and reporting requirements were reexamined and reinforced, after which questions were entertained.
5	Management-level training regarding Diversity, Equity, and Inclusion	During the months of October and November 2023, this SEU participated in Diversity, Equity, and Inclusion training. All hiring managers—Market Manager and Operations Managers—as well as the entire staff were required to complete a Health & Safety Institute (HSI) on-line course entitled, <i>Privilege</i> . This training reinforced the many personal and professional benefits of working in a diverse and inclusive workforce and introduced the key concept of Privilege: what it is, scenarios where privilege is seen/experienced, and how to use privilege to advocate for diversity, equity, and inclusion.
6	Management-level training regarding Diversity, Equity, and Inclusion	On November 15, 2023, our SEU’s Market Manager participated in another facilitated session and presentation conducted by the Diversity, Equity, and Inclusion (“DEI”) advisory firm, H3C, entitled, <i>Advocacy & Allyship Leadership</i> . During this Roundtable, participants explored what it means to be an ally and how to advocate for others. The presentation also provided two important tools for interrupting bias in the moment and intervening after the moment.
