about the impact this is already having on America, as well as other nations.

CROSSTALK

7/8/2022 54 MIN Dalton Windsor
M-F 2:01PM, Windsor discusses news stories on various topics. One example: at least 46
REPEAT 8:01PM abortion centers have closed since the U.S. Supreme Court overturned Roe v.
Wade and Planned Parenthood v. Casey.

CROSSTALK

7/12/2022 54 MIN Jim Schneider and Pastor Jim Harden
M-F 2:01PM, Beginning with Mother's Day weekend, pro-life organizations and churches have
REPEAT 8:01PM come under attack by those engaged in extreme violence simply because there are
states that are forbidding the killing of children in the womb. Schneider and Pastor
Harden, president and CEO of CompassCare Pregnancy Services in New York,
discuss this issue as CompassCare Pregnancy Services' Buffalo facility was
recently attacked by Jane's Revenge, a pro-abortion domestic terrorist group.
CompassCare Pregnancy Services is a Christ-centered agency that seeks to
empower men and women to erase the need for abortion by transforming their fear
into confidence.

WORLDVIEW WEEKEND RADIO

7/21/2022 54 MIN Brannon Howse and Congressman Glenn Grothman
M-F 1:01PM U.S. Congressman Grothman warns about the current war on Christianity. One
thing that's happening is that Democrats are pushing for abortion on demand.

CROSSTALK

7/22/2022 54 MIN Jim Schneider
M-F 2:01PM, Schneider discusses news stories on various topics. One example: Texas, led by
REPEAT 8:01PM Attorney General Ken Paxton, has sued the U.S. Department of Health and Human
Services over its attempt to transform every emergency room in the nation into a
walk-in abortion clinic.

WVFL

CROSSTALK

7/27/2022 54 MIN Jim Schneider and Dr. Tara Sander Lee
M-F 2:01PM, Dr. Lee is the senior fellow and director of Life Sciences at the Charlotte Lozier
REPEAT 8:01PM Institute. Also, she has contributed to the book titled, "Choose Life: Answering Key
Claims of Abortion Defenders with Compassion." Schneider interviews her about
the book. The following is a portion of a brief description of the book on
amazon.com: "There are good, wise, and thoughtful rebuttals of every claim made
by pro-abortion advocates. Collected here in one place, Choose Life offers you
reasonable responses from leading experts in their respective fields." Also, during
the program, Schneider briefly talks with Dr. Lee about the Biden administration's
push to expand access to abortion now that Roe v. Wade and Planned Parenthood
v. Casey have been overturned.

CROSSTALK

8/9/2022 54 MIN Jim Schneider and Pastor David Brown
M-F 2:01PM, This program is a repeat. It last aired on 4/20/2021.
REPEAT 8:01PM
The topic is "the Christian and self-defense." How can one claim to be pro-life and
pro-gun at the same time? Isn't that a contradiction of terms? Schneider talks with
Pastor Brown, pastor of the First Baptist Church in Oak Creek, to get answers to
these questions and more.

CROSSTALK

8/24/2022 54 MIN Jim Schneider and Pastor Jim Harden
M-F 2:01PM, Beginning with Mother's Day weekend, pro-life organizations and churches have
REPEAT 8:01PM come under attack by those engaged in extreme violence simply because there are
states that are forbidding the killing of children in the womb. Investigations into
these crimes have been slow. Schneider talks with Pastor Harden, president and
CEO of CompassCare Pregnancy Services in New York, about this issue.
CompassCare Pregnancy Services' Buffalo facility was attacked on June 7th by
Jane's Revenge, a pro-abortion domestic terrorist group, and yet there still haven't
been any arrests in the case. Contrast that with an attack on a Planned Parenthood
in Kalamazoo, Michigan at the end of July in which a multi-agency response
resulted in a suspect being found and arrested within four days of the attack. Why is
there apparently unequal justice for those who support life versus those who
support abortion?

WISCONSIN FAMILY CONNECTION

TUE & THU Appling talks about some of the services that pregnancy care centers provide and
8:18AM explains why the centers are so important.

M-F 2:01PM, This program is a repeat. It last aired on 4/20/2021.
REPEAT 8:01PM

The topic is "the Christian and self-defense." With the Second Amendment granting the right to keep and bear arms, is it ever right for a Christian to shoot another individual? What about one of the 10 Commandments that says, "thou shalt not kill?" What about the Scripture which says "turn the other cheek" and those that say "love one another?" Or "vengeance is mine, I shall repay saith the Lord?" In all of this aren't we just supposed to trust God? How can one claim to be pro-life and pro-gun at the same time? Isn't that a contradiction of terms? Should a Christian even own a gun? Is there a difference between self-defense and vengeance? Does the Bible address these issues? Schneider talks with Pastor Brown, pastor of the First Baptist Church in Oak Creek, to get answers to these questions.

Investigations into these crimes have been slow. Schneider talks with Pastor Harden, president and CEO of CompassCare Pregnancy Services in New York, about this issue. CompassCare Pregnancy Services' Buffalo facility was attacked on June 7th by Jane's Revenge, a pro-abortion domestic terrorist group, and yet there still haven't been any arrests in the case. Contrast that with an attack on a Planned Parenthood in Kalamazoo, Michigan at the end of July in which a multi-agency response resulted in a suspect being found and arrested within four days of the attack. Why is there apparently unequal justice for those who support life versus those who support abortion?

CROSSTALK

M-F 2:01PM, Beginning with Mother's Day weekend, pro-life organizations and churches have
REPEAT 8:01PM come under attack by those engaged in extreme violence simply because there are
states that are forbidding the killing of children in the womb. Investigations into
these crimes have been slow. Schneider talks with Pastor Harden, president and
CEO of CompassCare Pregnancy Services in New York, about this issue. In June of
this year, CompassCare Pregnancy Services' Buffalo facility was attacked by Jane's
Revenge, a pro-abortion domestic terrorist group. Schneider and Pastor Harden
also talk about how the war on the unborn continues. Furthermore, they talk about
the issue of tech companies, such as Google, censoring pro-life organizations on
their platforms.

CROSSTALK

9/26/2022 54 MIN Jim Schneider and Sharron Albertson
M-F 2:01PM, Schneider talks with Albertson, director of Life Chain in Texas, about Life Chains.
REPEAT 8:01PM According to lifechain.net, a Life Chain "is a peaceful and prayerful public witness of
pro-life individuals standing for 90 minutes praying for our nation and for an end to
abortion. It is a visual statement of solidarity by the Christian community that
abortion kills children and that the Church supports the sanctity of human life from
the moment of conception until natural death." Also, Schneider talks about the
arrest of Mark Houck, a well known pro-life author, sidewalk counselor, and father,
for alleged Freedom of Access to Clinic Entrances Act (F.A.C.E.) violations.
Schneider contrasted this case with the obvious silence from law enforcement over
the many incidents of vandalism, graffiti, and threats against pro-life pregnancy care
centers and individuals over the past several months.

Wednesday, July 13 – Anxiety-Free Living, Part 2 (#1)

It's been said, "Anxiety is a thin stream of fear trickling through the mind. If encouraged, it cuts a channel into which all other thoughts are drained." So how do you stop even that first trickle of worry? How do you keep concerns about sickness, your income, or paying your bills from consuming your thoughts, robbing your joy . . . and curbing your passions for God? Is a life free from anxiety truly within your reach . . . right now? Keep those crucial questions in mind today as John MacArthur shows you from God's Word how to experience . . . *Anxiety-Free Living* on GRACE TO YOU.

Thursday, July 14 – Anxiety-Free Living, Part 2 (#1)

You probably understand that it's pointless to worry . . . it won't accomplish anything more than raising your blood pressure. But that doesn't mean you won't be tempted to do it. So, how do you master the skill of anxiety-free living? And is a life free from anxiety, regardless of circumstance, truly within your reach . . . right now? Bring those questions to today's GRACE TO YOU broadcast as John MacArthur reveals a little more of the biblical formula for saying goodbye to your worries.

Friday, July 15 – The Song of Security

If you've been listening to the broadcasts this week . . . you know John MacArthur has been talking about Anxiety-Free Living. But it may be that you or someone you know is concerned—even tempted to worry—about an even greater issue . . . that is, whether your salvation is permanent. If you've ever wondered . . . "Can a Christian lose his salvation . . . and could that have already happened to me?" . . . stay here for John's lesson titled . . . "*The Song of Security*."

Series: Pitfalls of Christian Liberty

Monday, August 15 – The Danger of Overconfidence, Part 3 (#2)

Every trial you face—whether it’s the pain of watching a child suffer with illness, financial hardship, loss of a job, or mockery from the unbelieving world—is an opportunity to honor God. But those trials can also lead to temptation . . . you might waiver in your faith, lie to keep your job, or hide your Christian beliefs. So, how do you keep your trials from leading to sin? John MacArthur shows you today as he continues his study titled . . . *Pitfalls of Christian Liberty*.

Tuesday, August 16 – The Truth About Idolatry (#1)

If you’re an American you know you are entitled to certain rights—free speech, freedom of religion, trial by jury. These are guarantees that no one should be able to take away from you and you should never give them up. But can the same be said of your freedoms in Christ? Should you hold onto those blessings with a tight fist? Or if not, when should you—and why should you—lay them down? John MacArthur gives you practical wisdom on GRACE TO YOU as he continues his look at the . . . *Pitfalls of Christian Liberty*.

Wednesday, August 17 – The Truth About Idolatry (#2)

Today, John MacArthur will show you why your liberty is less about what you can do . . . and more about your relationship with God—and your willingness to obey Him. Today’s lesson is part of his study on GRACE TO YOU titled . . . *Pitfalls of Christian Liberty*.

Thursday, August 18 – The Outrage of Idolatry

You hear a lot of talk these days about identity . . . gender identity specifically. Some have decided that what it means to be a male . . . and what it means to be female . . . are open for debate. Does the same open debate apply to what it means to be a Christian? In other words, do you decide what it means to be a Christian—and what it looks like to follow Christ—or is your spiritual identity fixed, unchanging? John MacArthur’s going to answer that question today on GRACE TO YOU.

Friday, August 19 – The Disastrous Sin Of Lying

For most of human history academics would have agreed with Martin Luther King Jr. when he said, “education must enable one to . . . discern truth from error, the real from the unreal.” But now, that would be called beyond old fashioned. Truth professors will tell you is not only unknowable but a hostile concept. After all it could hurt someone. That’s today on GRACE TO YOU with John MacArthur.

Series: The New Testament, Beginning to End (Cont’d)

Monday, August 29 – Fifteen Words of Hope

Thanks for making GRACE TO YOU part of your day . . . as John MacArthur continues his study titled . . . The New Testament, Beginning to End. It’s a collection of influential sermons from nearly a half century of ministry. Today, John focuses on 2 Corinthians, in a sermon titled . . . “Fifteen Words of Hope.”

Tuesday, August 30 – What Is Christian Liberty

For most people, the notion of Christian liberty boils down to figuring out what they’re allowed to do. Can you watch films rated PG-13? Are you allowed to drink alcohol? What desires are you allowed to indulge? Well, today on GRACE TO YOU, John MacArthur shows you what Scripture says about Christian liberty . . . and why it’s not really about fulfilling your desires at all. John’s lesson is part of his current series . . . a collection of some of his most influential sermons titled . . . The New Testament, Beginning to End.

Wednesday, August 31 – A Plan for Your Family: God’s vs. the World’s

Whether it’s news reports about the popularity of gay marriage . . . television shows with adulterous story lines . . . or books that celebrate sexual sin . . . it’s clear that society doesn’t have a biblical view of sexuality, marriage, and family . . . not even close. Question is, when it comes to your marriage and family . . . are you following the world’s plan or God’s? John MacArthur helps you answer that question today on GRACE TO YOU, as he continues his current series . . . a collection of messages from his 50 years of ministry titled . . . The New Testament, Beginning to End.

Series: The New Testament, Beginning to End (Cont'd)

Monday, September 5 – Sound Doctrine Backed by Sound Living

The renowned preacher Charles Spurgeon offered a clear warning to those who say they are Christians but do not live a righteous life. He said, "The man who talks about his experience as a Christian, who never does anything for Christ, is . . . only an idle dreamer." John MacArthur helps you avoid that kind of spiritual hypocrisy with a lesson titled . . . *Sound Doctrine Backed by Sound Living* today on GRACE TO YOU.

Tuesday, September 6 – A Living Lesson on Forgiveness

It wasn't always this way . . . but these days, the medicines you buy typically come with a surprising amount of written information. You may find yourself wading through a huge amount of technical data . . . when all you want are the nuts-and-bolts directions. You don't need more theoretical . . . you want the practical. Well, you may know a lot of what we'll call the technical information about forgiveness—the biblical commands to forgive others. Stay with us today on GRACE TO YOU . . . as John MacArthur considers "A Living Lesson on Forgiveness" . . . part of his current series titled . . . The New Testament, Beginning to End.

Wednesday, September 7 – The Substance of Faith

If someone asked you "what is faith?" . . . how would you respond? It can be a greater challenge to answer that question than you might think. So for some practical help, stay here as John MacArthur looks to Hebrews 11 in his ongoing study called . . . *The New Testament, Beginning to End*, on GRACE TO YOU.

Thursday, September 8 – The Purpose of Trials

If God is good and all powerful—and He is—why do you and I . . . why does anyone . . . suffer? Bottom line, if God really loves you, why does He allow you to go through trials? Well, as John MacArthur's going to show you today . . . trials can actually be good for you! That's right . . . hard times can be a blessing from God. How? Find out as John MacArthur continues his series on GRACE TO YOU that's looking at . . . *The New Testament, Beginning to End*.

Friday, September 9 – A Portrait of False Teachers, Part 2

From the brutal murder of Julius Caesar . . . to Benedict Arnold's betrayal of West Point during the Revolutionary War . . . to Guy Fawkes's failed attempt to assassinate King James . . . history is filled with the tales of traitorous men. Now, while you may never face a violent betrayal, you might one day have to deal with a spiritual traitor . . . perhaps even in your own church. And today on GRACE TO YOU, John MacArthur, is going to help you spot those traitors—those false teachers . . . and show you how to deal with their lies.

Series: How to Live for God's Glory

Monday, September 19 – From Glory to Glory, Part 1 (#1)

What's the most important thing you can with your life? What's your ultimate purpose? Well, it's simple, it's . . . glorifying God. Stay here for the study John MacArthur launches today. It will show you . . . *How to Live for God's Glory*. That's today on GRACE TO YOU.

Tuesday, September 20 – From Glory to Glory, Part 1 (#2)

You know that being a Christian means honoring God, giving Him glory. But how do you know if you're hitting the mark—truly glorifying Him in everything you think, say, or do? Well, John MacArthur's going to lead you through a little self-test today . . . some questions to ask yourself. The answers can help you know if you really are living for God's glory. *How to Live for God's Glory* . . . that's the title of John's study here on GRACE TO YOU. It's a step-by-step guide to fulfilling your ultimate purpose.

Wednesday, September 21 – From Glory to Glory, Part 2 (#1)

When the phone rings in the middle of the night . . . when the doctor sees something ominous on your test results . . . when it looks like you could—or when you actually do—lose your job . . . how do you respond in a way that shows you're trusting in the One who's always in control . . . who always deserves your trust? John MacArthur's helping you think biblically about your trials in his current series here on GRACE TO YOU.

Thursday, September 22 – From Glory to Glory, Part 2 (#2)

"How can I glorify God?" That's the most essential question any Christian can ask themselves in any situation. So what's the answer? How can you be confident you're truly honoring the Lord, not just when you pray or tells others about Christ . . . but when you're driving the kids not school or heading off to work? John MacArthur provides biblical answers today on GRACE TO YOU as he continues his practical series, simply titled . . . *How to Live for God's Glory*.

Friday, September 23 – Questions and Answers, Part 30

Today, John's going to mix things up a bit. Instead of walking you verse-by-verse through a passage of Scripture, he's going to field questions from his home church about the Bible and the Christian life—perhaps a question you have wrestled with. Questions like . . . when people are regenerated do they keep their old sin nature . . . If men can't see the Lord and live, how did Isaiah survive his vision of God . . . and, many more. Learn more on GRACE TO YOU with John MacArthur.

Series: The World vs. the Kingdom of God

Monday, September 26 – Our King Will Not Be Mocked (#1)

Thanks for joining us here on GRACE TO YOU with John MacArthur. Today, John launches a brand-new study that is going to help you make sense of . . . well . . . the confusion and the chaos and the unrighteousness that seems to have reached new heights these days. We're calling this series . . . The World vs. the Kingdom of God.

Tuesday, September 27 – Our King Will Not Be Mocked (#2)

These days, doesn't it seem that the world has crossed into a new dimension of depravity, one that is marked by social disorder, violent crime, government corruption, the rejection of biblical morality . . . and the acceptance of those things by many of the loudest and most powerful voices in our society? In the face of such decline, what does God expect from His church? To help you think biblically about the current chaos, follow along now with John MacArthur here on GRACE TO YOU as he continues a brand-new study that he calls . . . The World vs. the Kingdom of God.

Wednesday, September 28 – The Kingdom of Light Amidst the Kingdom of Darkness (#1)

A Christian student in a large public university, taking a science course taught by an atheist, speaks up in class to challenge his professor's views on evolution. That's a recipe for public humiliation if there ever was one. And, let's be fair . . . it has never been easy to stand up for biblical truth and a Christian worldview . . . in fact, now it's harder than ever. So for encouragement for those situations, stay here as John MacArthur continues his brand-new study . . . The World vs. the Kingdom of God.

Thursday, September 29 – The Kingdom of Light Amidst the Kingdom of Darkness (#2)

As a Christian, you expect to be mocked for believing that God created the world in six literal days . . . and that Christ rose from the dead. But did you ever think that anyone would be ridiculed for believing that only women can give birth . . . and that there are only two genders? Thankfully, God is still in control of everything that happens . . . and a day is coming when the world will believe the truth about God and confess His rightful authority and power. Today, John MacArthur looks at the return of Christ and what the church is called to do while it awaits His coming.

Friday, September 30 – God's Kingdom Is Not of This World (#1)

Many pastors have tried to reverse the decline in church attendance by making church more entertaining. But will certain strategies strengthen the church for the work it needs to do—the work God established the church to do? The challenges for God's people seem more insurmountable today than ever. Make sure you're thinking biblically about those challenges and listen to GRACE TO YOU with John MacArthur to help you do just that.
