Subject: FW: Maybe stop playing Michael Jackson?

For the KYMX public file.

Thanks
Chad

Subject: Maybe stop playing Michael Jackson?

Hi,
Thanks for the music. I've noticed when Michael Jackson plays, I get reminded of his accusers and the horrible HBO special about their experiences... And it is all so upsetting, i can't really enjoy his music anymore. I turn off the radio whenever i hear him. I wonder how others feel.

Thought I'd put in my two cents.

Thanks,

Katie Mourning
