Issues of Importance to WNCU Listeners

Q4: October 1, 2023-December 31, 2023

WNCU's programming routinely addresses numerous issues of importance to listeners in the student body at N.C. Central University, the Durham community, and the surrounding area. Issues vary from quarter to quarter and year to year, depending on listener and community interests. Some of the issues that are regularly addressed include the following (this is not an exhaustive list):

- * State elections, politics, and legislation;
- * National legislative proposals relating to the economy, healthcare, and individual rights;
- * Civil rights and social justice;
- * Arts, culture, and local events;
- * Pandemic/Coronavirus;
- * Consumer issues, the economy, and financial responsibility;
- * Health and well-being;
- * Social Science;
- * Education (including higher education);
- * Technology and infrastructure; and
- * Personal and cyber safety and security, risks, and threats.
