## April-June 2023 Quarterly Issues and Program Reports for WMKY,

## **Morehead State Public Radio**

The top issues covered by WMKY News during the last three months include a total of 902 stories with sound. By category, those stories include:

Agriculture: 17 Arts/Culture: 97

Crime: 4 Economics: 50

Education: 83 Environment: 45

Government: 97 Health: 138

Housing: 6 Human Services: 143

Legal/Courts: 54 Minority/Women: 12

Police/Fire: 73 Transportation: 33

War/Terror: 7 Weather/Climate: 43

This quarter's focus was largely directed at arts and culture and human services. Weather and climate stories remained steady due to some severe weather, as well as much of the area seeing the effects of Canadian wildfires. Next quarter is likely to see an increase in coverage on education with the start of a new school year with several new laws in place in the state. Government stories are expected to increase as well as election season continues to ramp up.
