Quarterly Issues and Programs

1st Quarter 2022

January, February & March

In an effort to address important community issues of economy, education, health, political and others, WCRQ FM. offers the below as part of our regular formatted programming.

WCRQ FM airs "Happening in your community", an updated daily feature promoting local area community fundraisers, events and cancellations at 7:45am, 12:45pm and 4:45pm Monday through Friday and 7:45am and 12:45pm Saturday and Sunday.

Additionally, WCRQ FM airs free public service announcements for area non-profit organizations in excess of one hundred minutes per week, and often teams for live local broadcast of fundraising and awareness events.

Teacher Tara Jenson, a teacher from East Range Elementary School in Topsfield Maine contacted our stations about a special project her students were working on. To help promote eating healthy, physical activity and the importance of drinking water every day, her students were going to write their own public service announcements and then record them in the classroom. She wanted to see if we could take their recordings, do some editing and then air them on our stations.

After we finished producing the public service announcements, we ran them on WQDY FM, WALZ FM and on WCRQ FM from January 28, 2022 through March 31st, 2022.

Washington County Community College Student Life Advisor Karen Gookin contacted WQDY / WALZ and WCRQ about helping to promote the WCCC's Student Senate Annual Polar Dip.

Due to the pandemic, this year's dip was going to be virtual. People were asked to take a dip in an ice bath, jump in a snow bank, or pour ice water over their head. This annual event raises money for two very important organizations. The Ronald McDonald House in Bangor which provides a place to stay for families who have children who are undergoing treatments at Bangor area hospitals and Sarah's House of Maine, in Brewer, which provides a place to stay for cancer patients and their caregivers while they are receiving treatments at Cancer Care.

Due to the distance we are from Bangor, both of these organizations benefit Washington County families immensely.

We ran PSAs for this annual event on WQDY FM, WALZ FM and WCRQ FM.

This is Ken Clark, Chief of Calais Fire -EMS

It is winter time in Maine. I want to remind you to check your exits to be sure they are clear of Ice and snow.

While you're at it, if you have a gas appliance look to be sure the snow is cleared from around your appliance vent.

Some residents are required to install CO and explosive gas detectors. For more information contact the state fire marshal's office or your local fire department.

Please, take the time to test your smoke detectors!

Worthington Scholarship – WCRQ FM

On February 22nd we were contacted by Julie Bourgoin of the Worthington Scholars Foundation, a non-profit, and asked to partner to promote and bring awareness to a need's based scholarship opportunity that was wanting to grown awareness to students in Washington County. She stated that they were struggling to get students to apply. In an effort to help share the message to students in need, and address an economic and educational need in our area WCRQ FM aired a number of PSA's and shared on our web site.
