### PUBLIC SERVICE PROGRAMMING:

During the second quarter of 2023, announcements were recorded for playback on behalf of non-profit organizations and groups serving the public interest. KRBT continues to work with the City of Virginia and the Iron Range Tourism Bureau to promote area events. The Iron Range Tourism Bureau continued to produce monthly “What’s Happening” event announcements that air daily on KRBT. Additionally, local announcements for the City Auto Glass Foundation Scholarship fundraiser ran into the second quarter to promote participation and attendance. KRBT provided promotional announcements for the Iron Range Earth Fest in April, the Mesabi Community Band’s Spring concert, a benefit fundraiser for the family of a woman and her daughter fatally injured in a car accident during a Spring snowstorm, the Virginia Rotary’s “Kids Fishing” event on Silver Lake in Virginia, the Virginia Police Department’s Special Olympics Torch Run and the City of Virginia’s music in the park and City Band series. Special effort is given to reaching out to local groups as it is Range Broadcasting’s goal to promote KRBT even more as a “local” station and focus on what it can do to serve the surrounding communities.

Additional pre-recorded announcements as provided by the National Association of Broadcasters, Minnesota Broadcasters Association, Minnesota State High School League, the Ad Council and other Public Service and Public Safety organizations, both National and Minnesota based, are aired throughout our broadcast day and range in subject matter from social, medical, drunk driving and interpersonal issues to Minnesota Department of Transportation safety advice, Job finding assistance, Minnesota tourism and the Minnesota Army National Guard. A new message for a program called “Minnesota Retain” was also added.
