**Re: Mandatory Carriage Election
KUHT - Houston DMA**

Dear Mr. Hesse:

We received KUHT's letter, postmarked July 28, 2011, electing mandatory carriage. DISH Network accepts your election and looks forward to continued carriage KUHT per federal must carry regulations for the election cycle commencing January 1, 2012.

DISH Network will carry KUHT's signal during the upcoming election cycle ending on December 31, 2014 so long as the station does not substantially duplicate the programming of any other station within the market and complies with all federal must carry regulations, including the delivery of a good quality analog signal to the local receive facility.

DISH Network reserves the right to reject those stations that fail to deliver a good quality signal. Please contact Kip Wilcoxson, Engineering Manager, at our Cheyenne, WY Uplink facility at (307) 633-5483, should you anticipate signal delivery issues.

Sincerely,
