Hello!

New United We Can est. 0012 orders are being sent your way now.

We are currently working on the cash-in-advance, thanks in advance for your patience as it will take several days for Katz to receive the wire transfer; makegoods in flight/daypart/est. and double-spotting is okay.

Stations should have already received traffic; I have attached traffic instructions + spot in case. We are waiting on the agency to provide the NAB form - we'll provide forward as soon as we receive.

Let us know if you have questions while we wait on the payment and NAB. Thank you very much!
