**Subject:** MEETING TODAY!

Team,

Today, from 12 noon to 2pm CENTRAL TIME, we have a mastermind group meeting for a select number of managers. Today, I'm inviting ALL Managers and ALL REPS to attend. The zoom link is at the end of the email.

This meeting is **NOT MANDATORY** unless you are in the mastermind group. However, I would encourage you AND YOUR REPS to attend.

Why is that?

Because today, I'm going to demonstrate a technique I call:

*"Prospecting In Under 4 Minutes."*

In less than four minutes, I will show you how to find EVERYTHING YOU NEED to call a prospect BEFORE picking up the phone.

### **Here's what to expect:**

- 1) We'll watch a two minute video on an exchange product
- 2) We'll create a format for you to keep all your notes in
- 3) We'll pick a category for you to call
- 4) We'll find everything we need in less than four minutes to make our introductory call.
- 5) I'll share a call script you can begin using to set up prospecting meetings.

When this explanation is complete, you will actually start work on this yourself

### **By the end of our time together, everyone on the call will have:**

- 1) Created a note taking format for all future prospecting
- 2) Started research in a category
- 3) Have 10 prospects ready to call
- 4) Have a call script to use when calling.

### **Here are 10 categories you can choose from:**

- 1) Home improvement
- 2) Plumbing services
- 3) Heating & cooling repair
- 4) Auto repair & service
- 5) Furniture Stores
