

KYOZ Spokane Quarterly Issues and Programs

3rd Quarter 2019

KYOZ provides timely weather and street/road closure information to the residents of Spokane on a daily basis. We air 12 weather forecasts per day, and closure information as needed.

KYOZ addressed the issue alcoholism by airing announcements that talk about the benefits of the Al-Anon program, designed for families who have a member with an alcohol problem. We aired 30 of these announcements in July 2019.

KYOZ addressed the issue of safety through announcements that discourage texting while driving. We aired 30 of these 60 second announcements in August 2019.

KYOZ addressed the issue of health, and more specifically how to spot the signs of a stroke and how to take action. These 60-second announcements aired 30 times in September 2019
