

## KYOZ Spokane Quarterly Issues and Programs

2nd Quarter 2019

KYOZ provides timely weather and street/road closure information to the residents of Spokane on a daily basis. We air 12 weather forecasts per day, and closure information as needed.

KYOZ addressed the issue of the growing landfill and recycling. The messages encourage listeners to be more aware of the things they are throwing away in the trash and to consider recycling those items. These 60-second announcements aired 30 times in April 2019

KYOZ addressed the issue of education in announcements that offered resources for those adults who have not completed their high school education. We aired 30 of these 60 second announcements in May 2019.

KYOZ addressed the issue of safety through announcements that discourage texting while driving. We aired 30 of these 60 second announcements in June 2019.
