

CALM Act Certification

This is to certify that, as of July 06, 2021

1. As required by Section 76.607 of Title 47 of the Code of Federal Regulations, all "commercial advertisements" (as defined in the FCC Report & Order adopting rules to implement the Commercial Advertisement Loudness Mitigation Act) Embedded in the programming services of HC2 Network Inc. - Azteca America are in compliance with the loudness control practices contained in Advance Television Systems Committee (ATSC) A/85: Recommended Practice: Techniques for Establishing and Maintaining Audio Loudness for Digital Television ("ATSC A/85 Recommended Practice") at the point of distribution of each such programming service by HC2 Network Inc. authorized reception equipment of upstream for local content insertion as well as downstream multichannel video programming distributors. The programming services of HC2 Network Inc. include: Azteca America Network signals for both, East and West Coast distribution, and HC2 Network, Inc. Azteca America local Broadcast signals.
2. Compliance with the ATSC A/85 Recommended Practice is determined by HC2 Network Inc. through the use of equipment and associated software that is installed, utilized and maintained in a commercially reasonable manner.

HC2 Network Inc.
