Re: **Certification of Compliance with Children's Television Programming –  
3<sup>rd</sup> Quarter, 2018**

Dear Ms. Byrnes:

You have recently requested information from us to assist you in your record keeping obligations respecting the commercial limitations imposed on children's programming by the Children's Television Act. We hereby advise you that for the period July 1, 2018 through September 30, 2018, none of MSG or MSG Plus programming was originally produced and broadcast primarily for an audience of children 12 years old and under, and therefore the FCC limits on commercial time as contained in 47 C.F.R. Section 76.225 do not apply to any of MSG or MSG Plus programming for such period.

We trust that this satisfies your request.

Sincerely,
