**WPCH-TV
CERTIFICATE OF COMPLIANCE WITH COMMERCIAL LIMITS
FOR CHILDREN'S PROGRAMMING**

I, Michelle Hylton, in my capacity as Vice President—FCC Compliance for Superstation Inc. hereby certify that for the period from January 1, 2017 to March 31, 2017:

- 1) I am familiar with the statutory limits of the Children's Television Act of 1990 (the "Act") and the FCC regulations implementing those limits (no more than 12 minutes per hour of commercial matter may be broadcast during children's programming* on weekdays, and no more than 10 1/2 minutes per hour on weekends).
- 2) A true and correct list of children's programming aired on WPCH-TV during the period noted above is attached as Exhibit 1. The children's programs listed in Exhibit 1 were formatted and aired within the statutory limits of the Act.
- 3) To the best of my information, knowledge, and belief, there were no instances in which the commercial limits were exceeded during the period noted above.

Certified by me this 7th day of April, 2017.

Michelle Hylton
Vice President—FCC Compliance
Superstation, Inc.

*** Although WPCH-TV generally does not air programming subject to the commercial limits (i.e., programming directed to an audience of children who are 12 years of age or younger), it traditionally has followed the commercial limits for its children's educational programming, even when such programming may serve audiences from 13 – 16 years of age. In that regard and consistent with past calendar quarters, WPCH is filing this quarterly certification.**
