Instructions for Broadcast of Pre-Filing Public Announcements In Connection with Your Station's License Renewal

As you know, license renewal applications for stations licensed in MD/DC/VA are due to be filed with the FCC by **June 1, 2011**. The FCC's Rules require stations to broadcast announcements about the renewal application beginning two months before the application is filed.

The text of this pre-filing announcement is enclosed with this memo. Set forth below are the dates and times during which the announcement should be broadcast -- once on each of the specified dates during the indicated time slots:

April 1, 2011	4:00 p.m. - 6:00 p.m.
April 16, 2011	7:00 a.m. -- 9:00 a.m.
May 1, 2011	7:00 a.m. – 9:00 a.m.
May 16, 2011	7:00 a.m. – 9:00 a.m.

The FCC's rules require that the licensee place in the station's public inspection file, within seven days of broadcasting the last pre-filing announcement, a statement certifying the times that the announcements were made. Enclosed is a "Certification of Broadcast of Pre-Filing Announcements in Connection with License Renewal Application" for your station. Please record on it the actual times that the announcement was broadcast on the required dates. Then forward a copy of the certification to me and place the original in the station's public inspection file **by May 23, 2011**.

You will be required to broadcast post-filing announcements after the renewal application has been filed. We will provide you with the details on those announcements in a later memo.

Please let us know if you have any questions.
