## COMMUNITY ISSUES PROGRAMMING

The following issues were identified as significant and addressed by WBAY to serve the community and act in the public interest as set forth by the Federal Communications Commission:

- **Children/Education**  
The primary and secondary school education of area children, the high cost of attending college, children's safety in school and in general, and quality of education offered are issues of public concern. We also cover issues that specifically relate to children and teens, including child abuse, underage drinking, and parenting tips.
- **Community**  
We discuss events and stories of special interest happening in our local community, or stories from other communities that we feel would interest or educate local viewers.
- **Crime/Violence/Safety**  
Street crimes, gangs, and the use/sale of illegal drugs are issues of serious concern, along with information on how viewers can maintain their safety.
- **Economy**  
The overall economy of the nation, state, country, and city impacts an individual's ability to manage their current income, making it an overwhelming concern to viewers.
- **Environment**  
Natural, social, and cultural conditions influence the lives of individuals, the community, and the world in which we all live.
- **Government/Political**  
Viewers are concerned about political institutions, laws, customs, and proposed changes, along with national, state, and local leaders' reactions and ideas.
- **Health**  
We inform viewers about medical breakthroughs, costs, health studies, health insurance, and anything else that could harm or help their health.
- **Terrorism/National Security**  
People are more concerned than ever about terrorism - both foreign and domestic - and how to protect themselves, their country, and the world from international issues, political unrest, and terrorist threats.

Listed below are WBAY programs which address these significant community issues:

## PUBLIC SERVICE ANNOUNCEMENTS

WBAY partners with many local non-profit organizations to help raise awareness for events, issues, or charitable drives. This quarter, we produced and/or aired the following PSAs to benefit our community:

Title	Benefitting	Description
Green Bay Trout Unlimited	Green Bay Trout Unlimited	Lombardi Middle School FFA students created a PSA for an upcoming banquet on April 12 to raise money for Green Bay Trout Unlimited. We added a note to the PSA that it was produced by local students and aired it for them.
Selfless Samaritan Nominations	Samaritan Counseling	Send in nominations before April 15 for the annual Selfless Samaritan Award.
Rockonsin	Rockonsin	7 <sup>th</sup> to 12 <sup>th</sup> grade students are encouraged to send in their audition videos/songs before April 30 for this annual statewide garage band contest. One band from our viewing area made it to the finals at Milwaukee Summerfest.

Compassionate Home Health Care	Compassionate Home Health Care	WBAY produced this PSA in May 2023 and is airing it for a full year. It raises awareness for this organization that distributes necessary hygiene products to those in need, letting people know how to donate and what products are most needed.
Pedal It Forward	St. Vincent de Paul, Harbor House, Riverview Gardens, and Golden House	Fox Communities Credit Union put together what they hope will become an annual spring event: a used bike drive. Gently used bikes were collected from May 30-June 12 at two FCCU locations and were then distributed to the local nonprofit partners.
Fox Cities Marathon	Fox Cities Marathon	The annual Fox Cities Marathon will take place in September. We aired PSAs in June as our first phase of promotion to get the date on people's calendars and encourage them to sign up before the July 1 price increase.
Super Donor Days	American Red Cross	Donate during this big annual blood drive in Green Bay on July 3.

WBAY also airs national and/or regional public service announcements to help keep viewers informed about a variety of topics, such as health, safety, parenting, poverty, helping others, wildlife and conservation, animal rescue, veterans' affairs, consumer scams, and financial matters.

WBAY aired a total of 581 local, regional, and national PSAs this quarter. A comprehensive list including PSA titles, spot lengths, frequencies, and times/dates aired is included as Attachment C.

## **SPECIAL INITIATIVES, AWARDS, AND RECOGNITION**

WBAY would also like to highlight the following actions this quarter:

- Action 2 News airs a weekly series called Small Towns, which takes viewers on a journey to remember across Northeast Wisconsin, discovering compelling, inspirational, and heartwarming stories unique to each community. These stories air Thursdays on Action 2 News at Six.
- Action 2 News airs a monthly series called WBAY Cares with Stacy Engebretson. We shine a spotlight on people and organizations in Northeast Wisconsin that are making a difference in our area and beyond. The stories not only give well-deserved recognition to those who are doing life-changing philanthropy work in our community, they also help raise awareness of community issues, disease prevention, nonprofit organizations, fundraisers and more, inspiring viewers to join the cause. These stories air on Action 2 News at Six the first Tuesday of every month.
- Action 2 News airs a monthly series called Wisconsin Women Making a Difference with Aisha Morales. Each story in this series introduces viewers to different woman who has had an impact on our community. These stories air during Action 2 News This Morning the first Wednesday of each month.
- We received an email from the marketing director for the Boys & Girls Club of America. The Associated Press was filming a national segment in our viewing area on Thursday, June 15 for the Boys & Girls Club. It was to be a mental health discussion between some teens, and they were looking for a moderator. Our Action 2 News This Morning anchor, Kathryn Bracho, has previous experience moderating a teen panel show, and luckily, she was able to help them out. The clips

were shown June 30 at more than 4,700 Boys & Girls Clubs around the country and seen by more than 3 million kids.
