Friday, October 7, 2022

The Barefoot Witness

After a passerby found a three-year-old girl with blood on her feet wandering alone in a Louisiana parking lot, authorities embarked on a multiday search for her missing mother: Lyntell Washington, a Baton Rouge educator who was voted Teacher of the Year. When authorities found the pregnant teacher shot in the head, they were left with a cryptic clue from her toddler, who said: “Mr. Robbie” hurt her mother. A new episode of “20/20” unpacks the shocking crime, including how the investigation led authorities to identify one of the assistant principals at her school, Dr. Robert Marks, as the killer. Deborah Roberts reports.

Friday, October 14, 2022

The Darkest Night

When 17-year-old Brittanee Drexel stopped answering text messages during a spring break trip in April 2009, her friends and family instantly knew something was seriously wrong. Drexel — who was last seen on video camera footage leaving a hotel in Myrtle Beach, South Carolina — had seemingly vanished into thin air, leaving little evidence behind. “20/20” co-anchor Amy Robach investigates the twists and turns in the case, including new details about the alleged killer, convicted sex offender Raymond Moody.

Friday, October 21, 2022

Dial M for Missing

Peter and Quee Choo “QC” Chadwick seemed to live a blissful life in Newport Beach, California, with their three sons, until 2012, when Peter shockingly murdered QC. Peter routinely showed up for court proceedings until he vanished in January 2015. Years later and thousands of miles away in Pátzcuaro, Mexico, a mysterious ex-pat fled the small town after he was involved in a car crash resulting in a local woman’s death. A new “20/20” reports on the U.S. Marshals Service’s five-year search for Peter Chadwick. The two-hour episode features ABC News correspondent Bob Woodruff’s exclusive interviews.

Friday, October 28, 2022

Red Handed

When authorities found well-known former Arkansas State Senator Linda Collins-Smith murdered outside her home, rumors began to fly. Could it have been her ex-husband, a former judge, after the pair went through a contentious divorce with millions of dollars on the line? Had Collins-Smith made a fatal enemy along her meteoric rise in state politics? Or was it someone in her inner circle? In a new “20/20,” ABC News senior national affairs correspondent and “20/20” contributing anchor Deborah Roberts reports.

Friday, November 4, 2022 (9:01-11PM ET)

Girl Scout Murders

In 1977, three elementary school Girl Scouts were murdered on their first night at summer camp, a shocking crime that turned Locust Grove, Oklahoma, upside down and catapulted the small town into the national spotlight. In a new “20/20,” 20/20 contributing anchor and ABC News senior national affairs correspondent Deborah Roberts reports on the case, unpacking the evidence that originally pointed authorities to convicted rapist Gene Leroy Hart, yet found not guilty. Forty-five years later, a new sheriff looked at old evidence with state-of-the-art DNA analysis to explore one of the most notorious cases in Oklahoma history.

Divine Intervention

Life in East Union, Minnesota, was idyllic for 90-year-old Earl Olander, a modest farmer who attended church every Sunday in the rural community where he had lived since birth. When authorities found Olander murdered — his body tied up and brutally beaten, his house ransacked — shockwaves reverberated throughout the tight-knit town he called home. Neighbors were left wondering why anyone would want to kill Earl Olander. In a new “20/20,” ABC News correspondent John Quiñones reports.

Friday, November 18, 2022

Tainted Love

In 1999, when a home intruder shot wealthy 75-year-old businessman Steve Beard, police arrested Tracey Tarlton, a close friend of the victim's much younger wife, Celeste Beard. Although initially arrested as the sole perpetrator, Tracey stunned prosecutors right before her trial by claiming that she and Celeste were more than close friends; they were lovers. A new "20/20" features ABC News correspondent John Quiñones' interview with Celeste and others associated with the women.

A Captive Student

In 2017, 50-year-old high school teacher Tad Cummins took his 15-year-old student Elizabeth Thomas from her small hometown in Tennessee after illicit behavior that began in his classroom came to light. Their disappearance made headlines across the country. "20/20" examines the case with new interviews and police footage after ABC News correspondent Eva Pilgrim had the first on-camera interview with Thomas in 2018. The two-hour program provides a comprehensive look at the case, including the events leading up to the disappearance, never-before-released evidence from the month-long investigation that tracked the pair across the country, and the prosecution of Cummins.

Doctor Deceit

On the surface, Dean Faiello seemed to have it all, from a successful medical practice with high-end Manhattan clientele to a meticulously restored Gilded Age mansion outside the city. But things were not as they seemed: even though Faiello — whose cosmetology practice focused on high-powered lasers — presented himself as a doctor, he had no medical training. His deceit turned deadly for patient Maria Cruz, who saw Faiello for a procedure after authorities had already charged him for practicing medicine without a license. In a new "20/20," ABC News senior investigative correspondent **David Scott reports**.

Friday, December 16, 2022

Chippendales Murder

"20/20" dives deep into the dark history of greed, paranoia and murder behind the rise of the male exotic dance troupe Chippendales, which became an international cultural phenomenon in the 80s and 90s. By creating Chippendales, Steve Banerjee found the success and fortune he always craved — but his ambition was insatiable. "20/20" documents the harrowing stories of how Banerjee conspired to eliminate those he believed got in his way, including the shocking murder-for-hire plots against close business associates and members of a competing male dance troupe, and an alleged blackmail operation against an aggrieved patron of the club.
