**20/20**

Friday, October 1, 2021

### **Fake Heiress**

"20/20" reports on Anna Sorokin, known as the "Soho Grifter," whose story fascinated the world as her cons deceiving New York's elite unraveled. When Sorokin moved to New York City from Paris in 2013, she decided to be someone else entirely – Anna Delvey. The highest social circles accepted her, believing she was a German heiress worth millions until the facade came crashing down. "20/20" dives into Sorokin's schemes, including how she pulled them off, her arrest and ultimate conviction of grand larceny and other charges. "20/20" contains ABC News senior national affairs correspondent Deborah Roberts' interview with Sorokin following her release from prison.

Friday, October 8, 2021 – Season Premiere

### **Chippendales Murder**

"20/20" dives deep into the dark history of greed, paranoia and murder behind the rise of male exotic dance troupe Chippendales, which became an international cultural phenomenon in the 80s and 90s. Steve Banerjee found the success and fortune he always craved when he created Chippendales — but his ambition was insatiable. "20/20" documents the stories of how Banerjee conspired to eliminate those who he believed got in his way, reporting on his own demise.

### **Two Murders**

Following the murder of fourth-grade teacher Mickey Bryan 36 years ago – on Oct. 15, 1985 – fear and shock washed over Clifton, Texas, and local authorities soon arrested her husband, Joe Bryan. Four months earlier another crime rocked the small town: the murder of 17-year-old Judy Whitley, later linked to former Clifton police officer Dennis Dunlap. After Bryan spent more than three decades in prison for Mickey's murder, key expert testimony about forensic evidence used against him proved faulty. Those close to the case wondered – could the two homicides be linked and could Dunlap be Mickey's killer, too? In a new two-hour program, "20/20" co-anchor Amy Robach, who's been following this case for years, sits down with Bryan for his first broadcast TV interview.

Friday, October 22, 2021

### **Jekyll and Hyde**

Robert Bierenbaum seemed to have it all, but just like "Jekyll and Hyde," he had a much darker side lurking underneath. He was violent and controlling abuser, and his wife, Gail Katz-Bierenbaum, confided in friends she was afraid of him. Although authorities suspected him in Katz-Bierenbaum's 1985 disappearance from their Upper East Side apartment, insufficient physical evidence allowed him to evade charges for fourteen years until prosecutors discovered a doctored flight log from the day Katz-Bierenbaum vanished, and his lies finally caught up with him. A new two-hour "20/20," with reporting by ABC News anchor John Quiñones.

Friday, October 29, 2021

### **Gabby Petito Case**

Gabby Petito and Brian Laundrie captured national attention when the two left for a cross-country adventure, but only Laundrie returned. The couple let others into their seemingly happy world via social media, but behind the cameras, a much darker story played out. Laundrie returned to his family's Florida residence, without his fiancé, and Petito's family demanded answers about her whereabouts. When Laundrie vanished, the attention intensified as internet sleuths who helped crack the case wide open investigated and theorized. A two-hour "20/20" reports on the horror that unfolded in the beauty of Wyoming's Grand Teton National Park and the details leading to the discovery of Laundrie's remains last week, and poses lingering questions about what's next.

**False Confession**

How did a bizarre confession derail the investigation into the first murder committed by Keith Hunter Jespersen, the notorious “Happy Face Killer,” and allow him to remain on the loose, killing at least seven more women? A new two-hour “20/20” reports on how after authorities discovered the body of Taunja Bennett in the Columbia Gorge in 1990, 57-year-old Laverne Pavlinac confessed to the police that she took part in the crime. She provided convincing evidence that implicated her and her boyfriend, 39-year-old John Sosnovske, in the murder, and they were convicted and sentenced to life in prison. In a shocking twist, Pavlinac’s confession turned out to be false in an attempt to escape what she described as an abusive relationship with Sosnovske. Juju Chang reports.

**Wrongful Conviction**

When a scream woke Julie Rea in the middle of the night, she realized her 10-year-old son Joel was missing from his bed. She encountered an intruder and struggled with him as he ran out of the house. When authorities arrived, she faced the unthinkable – Joel was dead and authorities began to focus on her, poking holes in her story about the home invasion. Rea ended up behind bars, convicted of Joel’s murder. When crime author Diane Fanning watched a 2002 “20/20” report on Rea, she soon uncovered information that cracked the case wide open and linked notorious serial killer Tommy Lynn Sells to Joel’s murder. A two-hour “20/20” reports on the case, the events of the tragic night, Rea’s wrongful conviction, and Sells’ startling confession about the crime.

**Escape from a House of Horror – A Diane Sawyer Special Event**

ABC News anchor Diane Sawyer has exclusive interviews with children from the Turpin family, who authorities found captive inside their California home under harrowing conditions – starvation, in chains, brutal violence – after one escaped and called 911. In the two-hour primetime event, viewers will hear from the daughter who made the emergency call that led to their rescue and her sister who previously attempted an escape — the first interviews from any of the 13 Turpin children.

**Pursuit of Justice: Ahmaud Arbery**

Over the past few weeks, the world watched the trial of Gregory McMichael, Travis McMichael and William “Roddie” Bryan for the killing of Ahmaud Arbery. The jury ultimately found the three defendants guilty in Arbery’s murder today. In a new two-hour “20/20,” Arbery’s family reflects on his life with his mother, Wanda Cooper Jones, discussing her dogged quest to find truth and justice after the tragedy that changed their lives forever. ABC News senior national affairs correspondent Deborah Roberts reports.

Friday, December 10, 2021

**Deadly BOEING 737**

ABC News correspondent Bob Woodruff and team traveled the world to investigate the deadly Boeing 737 MAX-8 airplane, grounded in 2019 following two tragic crashes that killed 346 passengers from around the world and cleared to fly again in 2020. “20/20” reports on the aircraft’s original controversial flight control software and how it mistakenly sent planes into deadly nosedives, as well as the status of the criminal investigation into Boeing and the criminal charges filed against one former employee. “20/20” investigates. (OAD: 11/20/2020)

Hi Bill, Cami & Pam, we are thinking of you and we wish you and your wonderful families & amazing team a very happy Thanksgiving!

We are so THANKFUL for you and for your impactful advocacy and generosity, which makes such a BIG difference.

We always need you, but we simply cannot thank you enough for standing by us during these challenging times and for the many amazing ways you join in the magic of giving much needed hope, strength & great joy to local children struggling with critical illnesses.

Thanks to our compassionate supporters like you, we have been able to grant hundreds of life-affirming wishes over the past year. I hope you will take just a few minutes to watch some of these magical moments:

<https://youtu.be/lp0xuln4AHl>

Thank you from the bottom of our hearts for your love and support of the important Make-A-Wish mission for the sake of the precious local kids we serve together. We could not do this very important work without you.

Kris

*P.S. Meet wish kid Nolan. He is a smart and sweet 4-year-old from Suamico who was born with a neurological disorder that causes damage to the lining of his nerves, which has seriously affected his motor skills. Nolan is unable to walk and has very limited use of his right hand. Nolan is always happy and he is a very curious little boy who wants to do what he sees other kids doing. He loves playing with his mom's phone and his sister's iPad, but his physical limitations make it difficult for him. Ultimately, Nolan decided to wish for an adaptive computer, which will allow him to take advantage of all of the educational programs and fun games available. Thanks to our wonderful supporters like you, Nolan's wish to have an adaptive computer allows him to feel empowered, as he continues to learn and have fun, while developing his motor skills!*

Hello

We had an awesome Coats for Kids distribution here in Green Bay!

We served about 1400 children from 455 families.

We are still getting calls and providing coats to families who were not able to attend on Saturday.

We also provided gently used coats to Freedom House shelter for families that they will serve through the winter—who often come without the appropriate winter gear.

We provided gently used coats to Green Bay Area Public Schools so they can provide coats to children who they see without the appropriate winter gear.

We provided gently used coats to First Church who is on the west side (not too far from us) and has a clothing closet so we can make referrals to them for families who did not pre-register for coats.

We provided gently used coats to St Vincent de Paul on the east side so we can make referrals to them.

Eventually, the coats will get into the hands of children in need in our community.

Dear Pam,

We truly appreciate your commitment to making roads safer during the holidays – thank you for participating in Project Roadblock 2021! We could not reach every community across the nation without your help.

On behalf of the Ad Council, NHTSA and TVB, we wish you and yours a happy and healthy 2022!

Best,

The Project Roadblock Team
