6:00a	May 16, 2017	0:45	MIDWEST HAIL DAMAGE
10p	May 16, 2017	1:00	Severe weather turned deadly in Wisconsin tonight, after a tornado touched down in Northwest Wisconsin.
4:30a	May 17, 2017	1:30	We follow the overnight storm damage down across Wisconsin.
5:00a	May 17, 2017	2:00	Tornadoes hit western Wisconsin
5:30a	May 17, 2017	1:30	We follow the overnight storm damage down across Wisconsin.
6:00a	May 17, 2017	2:00	Tornadoes hit western Wisconsin
6:30a	May 17, 2017	2:00	Tornadoes hit western Wisconsin
6:30a	May 17, 2017	0:45	Deadly tornados hit Wisconsin
12p	May 17, 2017	2:00	One person died after a tornado in Western Wisconsin yesterday. There are most storms possible today in northeast wisconsin.

Environment

2nd Quarter 2017

4p	May 17, 2017	4:00	Authorities have identified a man killed by yesterday's tornado in western Wisconsin. Governor Scott Walker is touring the area, as residents work to move forward. This comes as more severe weather moves across the state that could produce more tornadoes.
4p	May 17, 2017	2:00	The Bay Beach Wildlife Sanctuary in Green Bay is pleading with the public to leave young animals alone, that they may think have been abandoned. The sanctuary is now swamped with these animals which it says were not abandoned by it's mother.
5p	May 17, 2017	1:30	Severe looking storms fizzled out some in our area as we came to air. A storm watch remains in effect for most of the viewing area until 11 p.m.
5p	May 17, 2017	1:30	Gov. Walker tours tornado damage in Barron County. One man was killed, and 25 people were hurt when the EF-2 twister hit a trailer park last night.
6p	May 17, 2017	1:30	State of emergencies are issued for three Wisconsin counties after tornadoes and flooding. One man was killed.
10p	May 17, 2017	4:00	We followed severe weather across the state.
5:00a	May 18, 2017	1:00	Storm damage coverage
5:00a	May 18, 2017	1:15	Storm damage in Western WI
6:00a	May 18, 2017	1:00	Storm damage
6:00a	May 18, 2017	1:15	Storm damage in Western WI
6:30a	May 18, 2017	1:00	Storm damage
12p	May 18, 2017	1:00	Crews are cleaning up the damage after a storm last night. No one was hurt.
4p	May 18, 2017	1:45	The National Weather Service is surveying damage in Shawano County, following yesterday's storm. It's unclear whether the area was hit by straight-line winds, or if it could have been a tornado.
5p	May 18, 2017	1:30	STORM CLEANUP NEAR SHAWANO LAKE AFTER YESTERDAY'S STRAIGHTLINE WINDS. THERE WERE NO INJURIES, CREDITED PARTLY BECAUSE FEW PEOPLE WERE LIVING IN THE LAKE HOUSES AT THE TIME.
6p	May 18, 2017	0:30	Crews are cleaning up after storms in Shawano county
4:30a	May 19, 2017	1:15	We take a look at some of the severe weather in the plains and the clean up process in Wisconsin. Plus, the salvation army is setting up a one stop shop for tornado victims in Barron County.
5:00a	May 19, 2017	0:45	Too much rain is negatively impacting planting for farmers
5:30a	May 19, 2017	1:15	We take a look at some of the severe weather in the plains and the clean up process in Wisconsin. Plus, the salvation army is setting up a one stop shop for tornado victims in Barron County.

Environment

2nd Quarter 2017

6:00a	May 19, 2017	0:45	Too much rain is negatively impacting planting for farmers
6:30a	May 19, 2017	0:30	TORNADOES IN OKLAHOMA, TEXAS AND KANSAS
6:30a	May 19, 2017	0:30	CLEANUP AFTER STRONGSTORMS IN WISCONSIN
12p	May 19, 2017	0:30	The wisconsin DNR is considering a hunting season where people can only shoot bucks. Officials say it could help control a growing deer population.
4p	May 19, 2017	2:00	Kewaunee County is drafting an ordinance that would impose new requirements for farmer to follow when they use liquid manure. The move is expected to improve water and soil quality that has been plaguing the county.
6p	May 19, 2017	1:45	Kewaunee Co. is looking into ordinances to reduce the risk of soil and water contamination from manure spreading. They want farmers to use less pressure
6a	May 21, 2017	0:45	Wildfires spread in southern California overnight, covering now more than 1,000 acres. Locals are being kept away from their homes, and say they're worried about the things that can't be replaced if lost in a fire.
8a	May 21, 2017	0:45	Wildfires spread in southern California overnight, covering now more than 1,000 acres. Locals are being kept away from their homes, and say they're worried about the things that can't be replaced if lost in a fire.
5:00a	May 22, 2017	1:15	The latest on severe weather in the midwest and south that left flash floods.
6:00a	May 22, 2017	1:15	The latest on severe weather in the midwest and south that left flash floods.
4p	May 22, 2017	0:45	The Barron County Sheriff's Department releases an initial estimate of last week's deadly tornado, saying it caused \$10 million dollars worth of damage.
5:00a	May 23, 2017	0:30	Governor Walker's cabinet holding a recovery town hall for people affected by last week's deadly severe weather.
6:00a	May 23, 2017	0:30	Governor Walker's cabinet holding a recovery town hall for people affected by last week's deadly severe weather.
4:30a	May 24, 2017	0:30	Damage estimates after tornadoes in western Wisconsin
4:30a	May 24, 2017	0:30	Trump's budget would eliminate funding for Great Lakes restoration, just part of his unpopular budget
5:30a	May 24, 2017	0:30	Damage estimates after tornadoes in western Wisconsin
5:30a	May 24, 2017	0:30	Trump's budget would eliminate funding for Great Lakes restoration, just part of his unpopular budget
6:00a	May 24, 2017	0:45	The tornado that hit Barron County broke records in Wisconsin.

Environment

2nd Quarter 2017

6:30a	May 24, 2017	0:45	The tornado that hit Barron County broke records in Wisconsin.
4:30a	May 25, 2017	0:45	Tornadoes in Ohio
4:30a	May 25, 2017	0:30	Tornadoes in North Carolina
5:00a	May 25, 2017	1:30	The DNR is adding dye to the water to try and prevent invasive species at Lake Winnebago.
5:30a	May 25, 2017	2:00	DNR to add dye to the Menasha Lock Channel to see if any old pipes could let invasive species through
5:30a	May 25, 2017	0:45	Tornadoes in Ohio
5:30a	May 25, 2017	0:30	Tornadoes in North Carolina
6:00a	May 25, 2017	1:30	The DNR is adding dye to the water to try and prevent invasive species at Lake Winnebago.
6:30a	May 25, 2017	1:30	The DNR is adding dye to the water to try and prevent invasive species at Lake Winnebago.
6:30a	May 25, 2017	1:00	Severe weather hits the Ohio and North Carolina. We have a look at the damage.
12p	May 25, 2017	1:15	DNR officials are putting dye in the water in the Fox River, checking for the invasive round goby.
5:00a	May 26, 2017	0:45	Followed two fires in California. One at a strip mall in Los Angeles and the other in a neighborhood in Stockton.
6:00a	May 26, 2017	0:45	Followed two fires in California. One at a strip mall in Los Angeles and the other in a neighborhood in Stockton.
5p	May 26, 2017	1:30	FAWN RESCUED AFTER MOTHER DOE IS HIT BY CAR
6p	May 26, 2017	1:45	A baby fawn is born after her mother is hit and killed by a car. Animal rehabilitation services are helping the fawn now
4:30a	May 31, 2017	0:45	DNR to hold public hearing on SANIMAX odor control
5:30a	May 31, 2017	0:45	DNR to hold public hearing on SANIMAX odor control
5a	May 31, 2017	0:45	Mountain lion is found on Mequon man's property
6:30a	May 31, 2017	0:45	DNR to hold public hearing on SANIMAX odor control
12p	May 31, 2017	0:45	President is like to pull the U.S. out of the Paris climate agreement. Nearly 200 countries signed the agreement to reduce carbon emissions.
12p	May 31, 2017	0:45	There will be a public meeting in Howard tonight about the smell coming from Sanimax.
5p	May 31, 2017	0:30	THE WHITE HOUSE HINTS THAT PRESIDENT TRUMP IS CLOSE TO WITHDRAWING FROM THE PARIS ACCORD, AN INTERNATIONAL DEAL TO CURB CLIMATE CHANGE.
10p	May 31, 2017	1:45	The public got a chance to voice their opinion tonight about a local company known for giving off foul odors. Sanimax is in the process of renewing its air pollution permit. But before it's granted, the DNR wants to hear from residents in the area.
Total:		110:30	

Environment

2nd Quarter 2017

Program	Date	Duration	Description
4:30a	June 1, 2017	1:45	Trump to likely pull America out of Paris Climate agreement
4:30a	June 1, 2017	0:45	Wisconsin Senators react to Trump pulling out of Paris Agreement
4:30a	June 1, 2017	2:00	DNR Hearing about SANIMAX air pollution permit
5:30a	June 1, 2017	1:00	Trump to likely pull America out of Paris Climate agreement

6:30a	June 1, 2017	1:00	DNR Hearing about SANIMAX air pollution permit
12p	June 1, 2017	2:00	The President will announce today whether the U.S. will put out of the Paris climate accord.
4p	June 1, 2017	1:30	President Donald Trump says he is pulling the U.S. out of the historic Paris climate deal, saying other countries are benefiting financially from the U.S.
10p	June 1, 2017	1:30	President Trump announces the U.S. will withdraw from the Paris Climate Agreement.
4p	June 2, 2017	2:15	Amid growing scrutiny following Pres. Donald Trump's decision to withdraw the U.S. from the Paris Climate Deal, his EPA director is defending him.
10p	June 2, 2017	1:15	The White House is standing by its decision to take the US out of the Paris Climate agreement.
4:30a	June 5, 2017	0:30	Heat buckles pavement
5:30a	June 5, 2017	0:30	Heat buckles pavement
6:30a	June 5, 2017	0:30	Heat buckles pavement
5:00a	June 7, 2017	0:45	Kewaunee well findings are being released today to talk about why water was contaminated in the area
6:00a	June 7, 2017	0:45	Kewaunee well findings are being released today to talk about why water was contaminated in the area
12p	June 7, 2017	0:45	Kewaunee will unveil the results of it's well water study tonight. The area has seen manure seep into it's well water supply.
10p	June 7, 2017	1:30	People in Kewaunee County had the opportunity to hear about a well contamination study, performed after reports of brown water.
4:30a	June 8, 2017	0:45	Public meeting scheduled about controversial UP mine project
4:30a	June 8, 2017	1:30	Test show fecal contamination in Kewaunee Co wells
5:30a	June 8, 2017	0:45	Public meeting scheduled about controversial UP mine project
5:30a	June 8, 2017	0:45	Test show fecal contamination in Kewaunee Co wells

Environment

2nd Quarter 2017

6:30a	June 8, 2017	0:45	Public meeting scheduled about controversial UP mine project
6:30a	June 8, 2017	0:45	Test show fecal contamination in Kewaunee Co wells
6:30a	June 8, 2017	0:30	Bears spotted outside a Marinette Co home
4p	June 8, 2017	1:30	Some severe storms are moving into our area, bringing the potential of heavy rain, strong winds and possible hail.
5p	June 8, 2017	0:30	Bears were spotted in two different areas in Northeast Wisconsin today.
5:00a	June 8, 2017	0:30	Wolf population is increasing in Wisconsin. 15 reports of wolf attacks so far this year.
6:00a	June 8, 2017	0:30	Wolf population is increasing in Wisconsin. 15 reports of wolf attacks so far this year.
12p	June 9, 2017	0:30	There have been three bear sightings in Northeast Wisconsin in the past two days.
12p	June 9, 2017	0:30	Wisconsin's wolf population is close to 1,000 which is a record high.
5p	June 9, 2017	1:15	Many people in our area are reporting seeing bears in their backyards. Wildlife officials say in recent years, bear country in Wisconsin has expanded, and right now is the most active time of the year for them. It's breeding season, meaning the males are roaming around more, and the females are running off last year's cubs.
6p	June 9, 2017	1:45	The Wisconsin DNR is warning people bears are on the move as males look for females. People are seeing bears in their backyards
6p	June 9, 2017	0:30	The DNR is also going to block off three pipes by Lake Winnebago to stop the spread of the round goby
6p	June 9, 2017	0:30	As the wolf population increases, the governor is asking the wolf hunting season be reinstated. To do that the wolves will have to be taken off the endangered species list
10p	June 9, 2017	1:45	Last month we showed you how the DNR turned the Menasha Lock canal green in the fight against an invasive species. Officials were trying to pinpoint where the round goby might be able to slip through and get into Lake Winnebago from the Fox River. Tonight, the results of their test are in.
6a	June 10, 2017	0:45	A follow up to the Menasha Dye testing-- where the source of the leak is found into the locks. Old pipes that are out of use is the source of the dye, and the DNR is now working with the company who operates them to seal them up to prevent the spread of invasive species.

Environment

2nd Quarter 2017

8a	June 10, 2017	0:45	A follow up to the Menasha Dye testing-- where the source of the leak is found into the locks. Old pipes that are out of use is the source of the dye, and the DNR is now working with the company who operates them to seal them up to prevent the spread of invasive species.
5:30p	June 11, 2017	0:30	We take a look at storm damage around our viewing area. We had damage in Oconto and Menominee County. We also look at damage in Wausau.
10p	June 11, 2017	0:30	We take a look at storm damage around our viewing area. We had damage in Oconto and Menominee County. We also look at damage in Wausau.
4:30a	June 12, 2017	1:00	Weekend storms cause plenty of damage and leave thousands without power mostly in the northwoods.
5:30a	June 12, 2017	1:00	Weekend storms cause plenty of damage and leave thousands without power mostly in the northwoods.
6:30a	June 12, 2017	1:00	damage and outages following Sunday thunder storms
12p	June 12, 2017	1:00	Storms overnight caused damage across northeast Wisconsin.
4p	June 12, 2017	1:45	People in our northern counties are cleaning up after severe storms
6p	June 12, 2017	1:45	Another round of severe thunderstorms are moving through our area. This time in the southern half. Most of the viewing area is under a watch or warning.
6p	June 12, 2017	2:00	As that is happening, viewers to the north are still cleaning up after Sunday's severe storms. Some residents walked us through some of the damage on their properties.
10p	June 12, 2017	1:45	We followed storm damage in the Village of Brandon.
4:30a	June 13, 2017	2:30	Storm damage continues after another night of severe weather. Hardest areas hit were Stevens Point, Portage County, and the town of Brandon. Many are without power, storm debris all over roads and yards
5:00a	June 13, 2017	1:30	The latest storm damage in Brandon. The town saw a similar storm last year around the same time. And we take a look at some tornadoes captured on camera in Wyoming and Colorado.
5:30a	June 13, 2017	2:30	Storm damage continues after another night of severe weather. Hardest areas hit were Stevens Point, Portage County, and the town of Brandon. Many are without power, storm debris all over roads and yards
6:00a	June 13, 2017	1:30	The latest storm damage in Brandon. The town saw a similar storm last year around the same time. And we take a look at some tornadoes captured on camera in Wyoming and Colorado.
6:30a	June 13, 2017	2:00	Damage left by storms

Environment

2nd Quarter 2017

12p	June 13, 2017	1:00	Storms across northeast Wisconsin caused damage last night. Several hundred people are without power and are dealing with downed trees.
4p	June 13, 2017	0:30	More than 20,000 people are still without power after storms roll through.
6p	June 13, 2017	2:00	Cleanup efforts continue today, following Sunday and Monday's storms. 18,000 WPS customers across the state are without power.
10p	June 13, 2017	1:45	People continue to clean up from storms last night, that dropped a weak tornado.
4:30a	June 14, 2017	0:45	Storm clean up continues in hard hit areas before another round of storms comes through. About 10,000 people are still without power
4:30a	June 14, 2017	0:30	Over 130 people are dead after floods and landslides in Bangladesh. More rain is expected and death toll should rise.
5:00a	June 14, 2017	0:45	The latest on the storm damage in Stevens Point and surging outages.
5:30a	June 14, 2017	0:45	Storm clean up continues in hard hit areas before another round of storms comes through. About 10,000 people are still without power
5:30a	June 14, 2017	0:30	Over 130 people are dead after floods and landslides in Bangladesh. More rain is expected and death toll should rise.
6:00a	June 14, 2017	0:45	The latest on the storm damage in Stevens Point and surging outages.
6:30a	June 14, 2017	0:30	Clean up from storms, as new storms could arrive today
6p	June 14, 2017	4:00	Whole A-block of show was severe weather coverage. Damage reported across the viewing area. There was at least one unconfirmed tornado.
10p	June 14, 2017	12:00	We covered damage from severe weather this evening across the Fox Valley and Northeast Wisconsin. At least 3 tornadoes were confirmed.
4:30a	June 15, 2017	0:45	We take a look at the Navarino storm damage.
4:30a	June 15, 2017	1:30	Also, Pulaski saw tons of structural damage to barns.
5:00a	June 15, 2017	4:00	Storm damage around northeast Wisconsin
5:30a	June 15, 2017	0:45	We take a look at the Navarino storm damage.
5:30a	June 15, 2017	1:30	Also, Pulaski saw tons of structural damage to barns.
6:00a	June 15, 2017	4:00	Storm damage around northeast Wisconsin
6:30a	June 15, 2017	2:00	Storm damage around northeast Wisconsin
6:30a	June 15, 2017	3:00	Storm damage around northeast Wisconsin
12p	June 15, 2017	2:30	Storms damaged building and powerlines across northeast Wisconsin. There were 3 confirmed tornadoes.
4p	June 15, 2017	4:00	9 tornadoes hit the area. No one is hurt but we looked at the damage in Pulaski and Shawano county

Environment

2nd Quarter 2017

5p	June 15, 2017	3:00	ACTION 2 NEWS WAS LIVE AT MULTIPLE LOCATIONS IN NORTHEAST WISCONSIN, SHOWING CLEANUP EFFORTS AFTER YESTERDAY'S OUTBREAK OF ELEVEN CONFIRMED TORNADOES (SO FAR)
6p	June 15, 2017	4:00	The National Weather service is confirming 10 tornadoes touched down during yesterday's storms in our viewing area, tying the record set in April of 2011. We took a look at the various damage being reported around Northeast Wisconsin.
4:30a	June 16, 2017	0:30	The National Weather Service confirms 10 tornadoes touched down on Wednesday. That number could rise as more damage assessments continue today.
4:30a	June 16, 2017	1:30	The storms damaged a Neenah cemetery, including headstones. Families of those damaged headstones have to cover costs themselves.
5:00a	June 16, 2017	0:45	Preparing for possible severe weather during a Billy Joel's concert

6p	May 5, 2017	2:00	Gov. Walker and Outagamie Co. Executive Tom Nelson have a heated exchange over the new health care bill that passed the House
6p	May 5, 2017	0:45	Money is shifted away from the veterans home in King, though it is under criticism for not providing enough care
10p	May 5, 2017	2:00	A heated argument over health care is caught on camera. Governor Walker was about to talk about tourism, but then Outagamie County Executive Tom Nelson stepped in and asked about health care.
6a	May 6, 2017	0:45	Recap of the altercation between Governor Scott Walker and Outagamie County Executive Tom Nelson, and the current stance Gov. Walker is taking on the new health care bill.
6a	May 6, 2017	0:45	Trump's pick for Army Secretary Mark Green took his name out of contention.
8a	May 6, 2017	0:45	Recap of the altercation between Governor Scott Walker and Outagamie County Executive Tom Nelson, and the current stance Gov. Walker is taking on the new health care bill.
8a	May 6, 2017	0:45	Trump's pick for Army Secretary Mark Green took his name out of contention.
6a	May 7, 2017	0:45	People in France hit the polls this morning to vote for a new President. Polls close at 1 PM our time, or 8 PM their time.

Government/Political

2nd Quarter 2017

8a	May 7, 2017	0:45	People in France hit the polls this morning to vote for a new President. Polls close at 1 PM our time, or 8 PM their time.
5:30p	May 7, 2017	1:00	Rep. Kooyenga says that gas prices could go down with the proposed GOP assembly plan. He says he can't predict what the market would do, but believes that the plan could result in a penny for penny reduction. Assembly Republicans hope that Governor Walker will buy into the new plan.
10p	May 7, 2017	1:15	The GOP Health Care Bill heads to the Senate this week. Paul Ryan says there will be many changes to the bill, but he is still defending it. One doctor says that he sees many concerns with the bill.
10p	May 7, 2017	0:30	France has elected a new president, Centrist candidate Emmanuel Macron. Tonight, people in Paris are celebrating at the Louvre. He is 39 years old, France's youngest president since Napoleon.
4:30a	May 8, 2017	1:30	The latest on the Health Care bill passing in the House of Representatives. As it now moves to the Senate, many House GOP'ers go on Sunday morning talk show to tout the usual selling points, but some Senate GOP members insist what they've been given is not a good bill, and they have every intention of writing a new one from scratch to send back to the House.
4:30a	May 8, 2017	0:45	Former Acting-Attorney general Sally Yates will testify before a Senate Panel today. She's to speak about how she tried to warn the White House about Former National Security Advisor Michael Flynn's connection to a Russian diplomat. However, the detail at which she'll be able to go is unknown, as much of the information surround Flynn is classified.
5:00a	May 8, 2017	0:30	The latest on the election results from France. Macron is now looking forward to mid-June, when his political movement needs to win seats in government to assist him in his agenda. Meanwhile, Marine Le Pen is working to her populist people into power to counter his victory.
5:00a	May 8, 2017	0:30	President Trump's Travel Ban will appear for the first time before a U.S. Appellate court. The part of the Travel Ban to be discussed today specifically deals with the aspect denying immigrants from six mainly-Muslim countries travel visas.

Health

2nd Quarter 2017

6:30a	May 10, 2017	1:45	In a preview of our most recent Target 2 Investigation, we set the stage for the issue with getting people the immediate mental health treatment they need after a crisis. Officers state they sometimes have to have someone threatening to self-harm or hurt others stay handcuffed in the back of their squad cars for hours on end as they drive them around looking for a mental health facility with space to take them.
6p	May 10, 2017	1:00	Two local compnaies announce food recalls. One is for cheese that wasn't pastuerized correctly, another is for sausage that was produced with wheat.
10p	May 10, 2017	4:00	We had a Target 2 Investigates on a shortage of mental health services in Wisconsin.
12p	May 11, 2017	0:45	The fox valley unveiled a new website today that helps people connect to the mental health services they need.
6p	May 11, 2017	2:00	A new website is created to help people with mental health issues and substance abuse issues find the right providers across three counties
5:00a	May 12, 2017	0:30	Brazil ends its public health emergency over the zika virus.
6:30a	May 12, 2017	0:30	Brazil ends its public health emergency over the zika virus.
4p	May 15, 2017	1:30	The CDC is warning of a tick-borne virus that could be deadly. This, as the tick season is supposed to be bad this year.
6p	May 15, 2017	1:45	Doctors are warning people to protect yourself against ticks as a rare but potentially virus ramps up
5:00a	May 16, 2017	1:00	POWASSAN IS ALSO A TICK-BORNE ILLNESS LIKE LYME DISEASE. IT'S RARE BUT HIGH TICK NUMBERS THIS SUMMER COULD LEAD TO MORE CASES.
6:00a	May 16, 2017	1:00	POWASSAN IS ALSO A TICK-BORNE ILLNESS LIKE LYME DISEASE. IT'S RARE BUT HIGH TICK NUMBERS THIS SUMMER COULD LEAD TO MORE CASES.
6p	May 17, 2017	1:45	A local therapist has her dog certified as a therapy dog to help people with mental health
12p	May 23, 2017	0:45	A Germantown Wisconsin cheesemaker is trying to find out how a bacteria got into their nacho cheese in California. One man died and 9 others were hurt.
4p	May 23, 2017	1:45	It's national EMS appreciation week. Some local ER Doctors have taken the day off to make sure local EMS know how much their efforts are appreciated in saving patient lives.
4:30a	May 24, 2017	0:30	VA town hall to be in Appleton
5:30a	May 24, 2017	0:30	VA town hall to be in Appleton

Health

2nd Quarter 2017

12p	May 24, 2017	0:30	There will be a VA town hall this afternoon, where veterans can ask questions about their health care in brown county.
4p	May 24, 2017	1:45	The first ever town hall at the Appleton VA center was held today, giving vets the chance to weigh in on their care.
6p	May 24, 2017	1:45	Veterans attend a town hall meeting with the VA to discuss problems and sucesses with the clinics. They say the wait time is uncalled for, but they did applaud the MRI machine returning to Green Bay.
10p	May 24, 2017	1:00	Veterans in the Fox Valley had the chance to give their feedback today about how to improve care at Veterans clinics.

Health

2nd Quarter 2017

Program	Date	Duration	Description
10p	June 5, 2017	1:45	A new medical app is being launched in the Fox Valley that could shave minutes off the response time if someone has a heart attack.
4:30a	June 6, 2017	1:30	New app alerts people who are CPR trained to nearby emergencies
6:30a	June 6, 2017	0:45	New app alerts people who are CPR trained to nearby emergencies
4:30a	June 8, 2017	0:30	Cashews recalled because glass is showing up in some containers
4p	June 8, 2017	2:00	Bellin Run organizers are taking extra precautions and offering more options for runners to cool down as temperatures reach the 90s this weekend.
6p	June 8, 2017	1:45	Bellin officials are making sure runners are safe as temps heat up for the run this weekend. There will be water stations and cooling busses
4p	June 9, 2017	2:00	Drastic changes have been made to the Milwaukee VA center, after Target 2 Investigates discovered more than a year ago conditions were not safe. We got an exclusive tour of the facility to see the impact of the changes.
6p	June 9, 2017	1:45	A new program is helping drug offenders stay away from narcotics. Former addicts are seeing success after being injected with a drug that helps fight addiction
10p	June 9, 2017	3:00	A Green Bay 4-year-old born with severe congenital heart disease is paving the way for the future of medicine.
6a	June 10, 2017	1:30	A four-year-old NEW boy becomes the smallest person ever to get a heart pump meant for adults. Doctors were able to figure out how to place the pump inside the boy while he waited for a new heart, which thankfully came a week later.
8a	June 10, 2017	1:30	A four-year-old NEW boy becomes the smallest person ever to get a heart pump meant for adults. Doctors were able to figure out how to place the pump inside the boy while he waited for a new heart, which thankfully came a week later.
4:30a	June 12, 2017	0:30	Chef Boyardee recalls spaghetti and meatball cans due to milk contamination and not adding the milk allergy onto the label.
5:30a	June 12, 2017	0:30	Chef Boyardee recalls spaghetti and meatball cans due to milk contamination and not adding the milk allergy onto the label.
4:30a	June 14, 2017	0:30	Chiropractors may soon be able to certify for sports exams. Lots of backlash from groups like the WIAA and medical groups on this idea moving forward

Health

2nd Quarter 2017

4:30a	June 14, 2017	0:30	2 people dead and over 750 are sick after food was contaminated in Mosul at a civilian base. Not sure if poisoning was intentional.
4:30a	June 14, 2017	0:30	Cholera continues to spread in Yemen. 900 people dead and 124,000 people affected.
4p	June 15, 2017	1:45	The Kewaunee Co. health dept. is putting up signs telling people to protect themselves against ticks. There's an increase in Lyme disease
12p	June 16, 2017	0:30	Officials found ecoli in the drinking water at the US open. Bottled water is being handed out.
4p	June 16, 2017	0:30	E. Coli is discovered in the drinkign water at Erin Hills. No one said they felt sick but the water station was shut down
5:00a	June 19, 2017	0:30	Wisconsin DOJ investigating marketing by opioid manufacturers
6:30a	June 19, 2017	0:30	Wisconsin DOY investigating marketing by opioid makers
4p	June 21, 2017	1:45	More mental health services are coming to the Fox Valley. This, after target 2 investigated a lack of proper services.
6p	June 21, 2017	1:45	A \$50,000 donation is helping bring a mental health clinic focused on youth to the fox cities
4p	June 23, 2017	1:45	The national fire chiefs conference is focused on health. Firefighters get cancer at a higher rate. They want to give them baby wipes to get soot off quicker.
4p	June 26, 2017	1:45	The national fire chiefs conference is focused on health. Firefighters get cancer at a higher rate. They want to give them baby wipes to get soot off quicker.
6p	June 26, 2017	0:30	People in Kaukauna are under a water boil advisory after a water main break.
10p	June 26, 2017	1:45	Senate Republicans' Health Care Bill is in jeopardy of not passing. We covered the CBO report on the bill, showing its impact over the next ten years.
6:30a	June 28, 2017	1:30	We follow the response of Wisconsin leaders reacting to the health care bill. We had new reaction from Senator Ron Johnson. We also have reaction from a mother from Seymour who has concerns about her daughter's pre-existing conditions.
4p	June 28, 2017	0:30	Kaukauna boil water order is lifted after water samples come out clean for two days. Parts of the city saw a loss in water pressure on Monday.
5p	June 28, 2017	1:15	On his 8th day with Thedacare, we talked to Doctor Imran Andrabi, the new CEO of Thedacare. He is overseeing around 6800 workers. The discussion of moving Thedacare from two to one regional hospital started last year under the former Ceo. Dr. Andrabi says he needs to learn more before jumping on board.

Health

2nd Quarter 2017

10p	June 28, 2017	0:30	Nearly 3 dozen municipalities across the state including several in Northeast Wisconsin will be getting money from the state to help replace lead service lines.
5:00a	June 29, 2017	1:30	Green Bay is getting a boost to replace lead pipes supplying water to homes, schools, and day cares. The DNR is is paying half a million dollars for it.
5:30a	June 29, 2017	1:30	Cities in the area are being granted money to fix led pipes. The DNR is granting money to 7 cities, including Green Bay. The highest grant awarded is \$500,000.
6:00a	June 29, 2017	1:30	Green Bay is getting a boost to replace lead pipes supplying water to homes, schools, and day cares. The DNR is is paying half a million dollars for it.
6:30a	June 29, 2017	1:30	Green Bay is getting a boost to replace lead pipes supplying water to homes, schools, and day cares. The DNR is is paying half a million dollars for it.
4p	June 29, 2017	1:45	The state is giving local communities money to replace old lead water pipes. Lead pipes can cause numerous health problems.
4p	June 29, 2017	1:45	Local hospitals are doing random drug tests on people for certain prescriptions. A new law is going into effect next year that will make the procedure a statewide requirement
5p	June 29, 2017	2:00	Local hospitals and clinics say right now they're being affected by a global ransomware attack. Bellin Health, Thedacare and Aurora Baycare have stopped using software associated with a recent security breach. Hospital administrators say the most important think about the cyberattack is that patients understand their private information has not been compromised.
