QUARTERLY LISTING OF ISSUES AND PROGRAMS

**WBAY-TV
GREEN BAY, WISCONSIN**

OCTOBER, NOVEMBER, DECEMBER 2022

COMMUNITY ISSUES PROGRAMMING

The following issues were identified as significant and addressed by WBAY to serve the community and act in the public interest as set forth by the Federal Communications Commission:

- **Children/Education**
The primary and secondary school education of area children, the high cost of attending college, children's safety in school and in general, and quality of education offered are issues of public concern. We also cover issues that specifically relate to children and teens, including child abuse, underage drinking, and parenting tips.
- **Community**
We discuss events and stories of special interest happening in our local community, or stories from other communities that we feel would interest or educate local viewers.
- **Crime/Violence/Safety**
Street crimes, gangs, and the use/sale of illegal drugs are issues of serious concern, along with information on how viewers can maintain their safety.
- **Economy**
The overall economy of the nation, state, country, and city impacts an individual's ability to manage their current income, making it an overwhelming concern to viewers.
- **Environment**
Natural, social, and cultural conditions influence the lives of individuals, the community, and the world in which we all live.
- **Government/Political**
Viewers are concerned about political institutions, laws, customs, and proposed changes, along with national, state, and local leaders' reactions and ideas.
- **Health**
We inform viewers about medical breakthroughs, costs, health studies, health insurance, and anything else that could harm or help their health.
- **Terrorism/National Security**
People are more concerned than ever about terrorism - both foreign and domestic - and how to protect themselves, their country, and the world from international issues, political unrest, and terrorist threats.

Listed below are WBAY programs which address these significant community issues:

PUBLIC SERVICE ANNOUNCEMENTS

WBAY partners with many local non-profit organizations to help raise awareness for events, issues, or charitable drives. This quarter, we produced and/or aired the following PSAs to benefit our community:

Title	Benefitting	Description
Coats for Kids	Salvation Army	Charity drive Sept. 26-Oct. 27 to collect new and gently-used winter coats for local children in need.
Gourmet Wishes	Make-A-Wish Wisconsin	Fundraising event at Resch Expo Center in Green Bay which took place on Oct. 12.
Optimist Wine and Cheese	De Pere Optimist Club's Community Youth Fund	Fundraising event at Swan Club in De Pere which took place Oct. 14.
DPCO Fashion Show	De Pere Christian Outreach	Fundraising event at 1 st United Presbyterian Church in De Pere which took place Oct. 15.
Give a Kid a Book	Brown Co. Comm. Women's Club / Packers Give Back / Brown Co. Library	Charity drive Nov. 2-Dec. 10 to collect new books for local children.
Toys for Tots	Marine Corps Reserve	Charity drive Nov. 10-Dec. 13 to collect new toys for local children in need this Christmas.
Winter Wine & Beer Walk	On Broadway, Inc.	Winter wine and beer walks in downtown Green Bay are held on Fridays in December to support local businesses during the holiday season.
Santa Cycle	Children's Wisconsin	WBAY's Sports Director, Chris Roth, organizes this winter bike ride to benefit Children's Wisconsin. This year's ride took place Dec. 10.
Local Encompass	Encompass	WBAY produced this PSA in October 2021 and aired it for a full year through October 5, 2022. The goal was to raise awareness for Encompass Child Care's foster grandparent program and the request for elderly volunteers.
Blindness Eye Link	Eye Link Wisconsin	WBAY produced this PSA in October 2021 and aired it for a full year, through October 9, 2022. It raised awareness for a program which offers free assistance and support to people who are losing (or have already lost) their vision.
Reach Out Wisconsin	Reach Out Wisconsin	Reach Out Wisconsin is a new initiative aimed at reducing the suicide rate among veterans; we are airing PSAs to raise awareness until further notice.

WBAY also airs national and/or regional public service announcements to help keep viewers informed about a variety of topics, such as health, safety, parenting, poverty, helping others, wildlife and conservation, animal rescue, veterans' affairs, consumer scams, and financial matters.

WBAY aired a total of 1,886 local, regional, and national PSAs this quarter. A comprehensive list including PSA titles, spot lengths, frequencies, and times/dates aired is included as Attachment C.

Expressions of gratitude we received for our efforts this quarter are included in Attachment D.

SPECIAL INITIATIVES, AWARDS, AND RECOGNITION

WBAY would also like to highlight the following actions this quarter:

- Action 2 News airs a weekly series called Small Towns, which takes viewers on a journey to remember across Northeast Wisconsin, discovering compelling, inspirational, and heartwarming stories unique to each community. These stories air Thursdays on Action 2 News at Six.
- Action 2 News Anchor Aisha Morales was named one of Wisconsin's Most Influential Latino Leaders.
- WBAY was nominated for three regional Emmy awards by the National Academy of Television Arts & Sciences Chicago/Midwest Chapter. The three nominations received were as follows:
 - Action 2 News at Five – February 22, 2022 for Outstanding Achievement for Evening Newscast: Smaller Markets (51+)
 - Cochlear Implants for Outstanding Achievement for News Gathering – Health/Medical News
 - Small Towns Series for Outstanding Achievement for News Gathering – Human Interest News
- WBAY once again partnered with Woodward Radio Group, Fox Communities Credit Union, and several Salvation Army branches and local dry cleaners throughout our viewing area to help collect Coats for Kids. Wisconsin winters are cold, and kids need coats! New and gently used coats are accepted at several area collection sites, including here at WBAY. The collection ran September 26-October 27. We built a web page, produced and aired a number of PSAs, and also ran multiple news stories before, during, and after the campaign.
- WBAY Meteorologist David Ernst and Action 2 News This Morning Anchor Kathryn Bracho participated in a commercial to help a local organization, the Community Blood Center, promote their one-day "Season of Giving" blood drive on November 18. Not only were Kathryn and David the on-camera talent for the ad, they donated blood as part of their commitment.
- From November 28-30, Action 2 News at Ten aired a three-part series called *Human Trafficking - A Look Inside "The Life."* Reporter Casey Torres gave background on human trafficking in Wisconsin and how it may look in the general public; shared one survivor's story and explained why it's hard for victims to escape; and looked at what's being done to combat this issue.
- WBAY compiled our annual Holiday TV Guide, a comprehensive list of any network or locally-added holiday specials scheduled on our channel from Thanksgiving through New Year's Eve. The list is made available as a .pdf which viewers can download from our website.
- On Tuesday, December 13, as part of our ongoing commitment to the Marine Corps Reserves' Toys for Tots campaign, WBAY held our annual Last Call toy drive from 6am-8pm in the front lobby of our television station. We also partnered with Fox Communities Credit Union to offer a second collection site for viewers living near the Fox Cities. As always, the amount of toys donated and the generosity of our community was overwhelming.
- WBAY registered for and participated in Project Roadblock. This annual, national PSA campaign helps "put the brakes on drunk driving" during one of the deadliest auto-fatality weeks of the year, the holiday week of Dec. 26-31. As detailed in our PSA Report in Attachment C, WBAY aired sixteen different Project Roadblock PSAs a total of 99 times this quarter, concentrating the majority of our efforts on that final week of the year.

Expressions of gratitude and documentation of our efforts this quarter are included in Attachment D.
