Quarter 2024

OLD SCHOOL & TODAY'S R&B

This reports contains

Section 1: The issues that are important to the local community in this quarter

Section 2: Issues and Concerns in The Lafayette Area And How KNEK Dealt With Those Issues.

Community Issues

Black Lives Matter

-We address that many people in Black people are systematically discriminated against and killed by law enforcement.

Black Economic development

-there has been many concerns about having a voice economically. There has been a push by many community leaders to have the urban community support and shop black owned businesses to bolster these businesses and to have a better economic stance in the general market.

Gun Violence

-Several people in the area have been shot by guns and there is cases where children get access to a loaded weapon. We are working to pass along information about gun safety.
