	Growing Education: Community Conversation	107	04/02/2016	09:00	26:46	Co-sponsored by the Highlands Economic Partnership, this community conversation is part of American Graduate: Let's Make It Happen, a public media initiative supported by the Corporation for Public Broadcasting to help local communities across America address the dropout crisis. WCTE's goal is to bring together our area's educational and economic leaders, as well as community members, for a town hall meeting to incite meaningful discussion around these issues. Episode 107, Getting Back on Track, visits the challenges and opportunities for adults who have not earned their high school diploma, or adults who have their high school diploma but dropped out of college before earning their degree. Episode 108, Standing Tall, focuses on joint efforts between Workforce Development and businesses and schools in the Upper Cumberland to ensure graduates are being prepared for available jobs.
