Sustainability	Live Green Tennessee	502	04/03/2014	8 – 8:30 p.m.	Live Green Tennessee is WCTE's locally produced, flagship sustainability show. With new episodes produced weekly, the show features local producers connecting with local consumers. During the first quarter of 2014, episodes included, among others, segments about a 3,000 mile tour across America that aims to raise awareness about electric vehicles; a 100-acre organic farm in Putnam County dedicated to providing the local community fresh grown products; The Produce Place, which has been "buying local" since 1988 and providing their long term customers with vegetables, fruits, meats, cheeses and more from growers and producers from across the region; a company in Chattanooga is pushing the humble street light to do more with less; as well as segment about regional farmers markets, recyclers and green building practices..
