

WCTE Quarterly Issues/Programs List January – March 2016

ISSUE	TITLE	EPISODE	DATE	TIME	Duration	DESCRIPTION
Sustainability	Live Green Tennessee	808	01/02/16	14:30:00	00:26:43:29	Live Green Tennessee is WCTE's locally produced, flagship sustainability show. In this most recent season of Live Green, producers explored local farms that provide organic and sustainable meat to the local market; the connection between local craft brewers and sourdough bread; locally roasted coffee; an artist producing upholstered furniture from salvaged items; a company promoting the use of solar energy at home and at work. Episodes from the 600 season highlight

	Growing Education: Community Conversation	105	01/02/16	09:00:00	00:26:46:00	Co-sponsored by the Highlands Economic Partnership, this community conversation is part of American Graduate: Let's Make It Happen, a public media initiative supported by the Corporation for Public Broadcasting to help local communities across America address the dropout crisis. WCTE's goal is to bring together our area's educational and economic leaders, as well as community members, for a town hall meeting to incite meaningful discussion around these issues. Episode 105, Growing Education, focuses on the 8th-12th grade dropout issue. For more information, visit the

Sheet1

		106	01/28/16	19:00:00	00:26:46:00	Branching Out, focuses on the 8th-12th grade school years and issues facing students putting them at risk of not graduating on time. There is also a focus on how to build career paths for students, starting as early as 8th grade. Episode 106 focuses on higher education opportunities in Cookeville and the Upper Cumberland. Episode 107, Getting Back on Track, visits the challenges and opportunities for adults who have not earned their high school diploma, or adults who have their high school diploma but dropped out of college before earning their degree.
