Cans for Canines & Felines June 10th

Shelby County Animal Rescue Foundation encourages you to attend Cans for Canines & Felines on June 10th from 9-11am. This event supports SCARF's mission to raise funds for the Shelby County Animal Shelter by collecting donations of aluminum cans and scrap. Donations are brought to the Shelby County Animal Shelter, and volunteers will assist with loading cans into the designated cages. Afterwards the aluminum will be hauled to the recycling location. This is a free event and it does not require any registration! Feel free to let SCARF know you are attending by commenting on or sharing photos to their social media. You can find them on facebook under "Help Shelby County Animals" and on Instagram @ Friends_of_Scarfie. For more information about SCARF, visit their website www.HelpShelbyCountyAnimals.com
