**Subject:** Public File Reports Missing Status

Hi Bill,

Here is a status on the missing items from the public file. Please keep in mind the public file was transferred to me during the 4<sup>th</sup> quarter of 2007 by Lucho Monge and all of the missing items are prior 2007 (except for commercial limits which we started 4<sup>th</sup> of 2008 when Nancy Ory joined us).

WSBS-TV

1) 2<sup>nd</sup> quarterly report of 2008 will be sent by Friday = I have it in my computer. Apparently, I sent it to Allan and never sent to Key West.

2) Commercial Limits missing all report prior 4<sup>th</sup> quarter of 2008 = we started this certification letter when Nancy Ory replaced Allan Moskowitz.

Solution: Programming department would need to provide program info for Children's block for 2005, 2006, 2007, thru September 2008 and I would create the letters for both files.

3) EEO Mid tern Report = we have it for channel 50, so I will make copies and send to Key West for channel 3.

4) FCC -317 Ancillary Service Report (Bill I need your help with this one)

WSBS-CA

1) 1<sup>st</sup>. Quarterly report of 2006 = It's missing for channel 50 and I never received an electronic version from Lucho Monge.

Solution: I could re-create a general report using the second quarter of that same year.

2) 2006 Children's programming for the first, second, and third quarter are missing for channel 50= these documents are provided by our council after filing electronically with the FCC. Solution: I could contact Nancy Ory about accessing this info on-line and printing the documents for channel 50.

3) Commercial Limits missing all report prior 4<sup>th</sup> quarter of 2008 = we started this certification letter when Nancy Ory replaced Allan Moskowitz.

Solution: Programming department would need to provide program info for Children's block for 2005, 2006, 2007, thru September 2008 and I would create the letters for both files.

4) Class A Eligibility Statement (Bill, I need your help with this one)
