Family	Closer Look	8/6	7:00 pm Segment 1	30 minutes	Free Brand-New 'Threads' for Teens in Foster Care - Children in foster care often arrive at a new placement with just the clothes on their backs. "Every statistic you hear that is going bad in the United States, a lot of them link back to the foster care system and those kids just not being taken care of." Dream Makers steps in to link aged-out foster kids with practical assistance by connecting them with the generosity of strangers. "It totally up to the community to fulfill the dream." The young adult with a need fills out an application to ask for things that teens with families could easily get from a mom or dad: like money for work clothes, or a laptop for school, or maybe a used car – but Melton says the most common dream request from these youth by far is – food.
