072917eo_trailtransit2.wav 0:55 7/31/17 Ellis O'Neill/DS]

AP logs:

0520/0706/0806: Excessive Heat Reader: Excessive Heat Warnings take effect in many part of the Northwest this week.
0520/0641: Mabton fire reader: The Glade 3 Fire has burned about 10 thousand acres south of Mabton.
0531/0631/0720/0831: Idaho Insurance: Idaho's health insurers say they're asking for steep rate hikes for coverage next year because of uncertainty from the federal government.
0531/0731/0831: Lacey Homicide: Police say two women were shot to death at a Lacey home by a man who then fled in a car with two children.
0543/0731: Marysville Shooting: The families of five Washington students shot at Marysville-Pilchuck High School in 2014 have settled a lawsuit against the school district's insurance company for \$18 million.
0606: Yellowstone grizzlies: For the second time in a decade, the U.S. government has removed grizzly bears in the Yellowstone region from the threatened species list.
0620/0743: Skagit County Arson Update: Prosecutors have dropped arson and murder charges against one of two defendants in what authorities describe as a deliberately set fire that killed two children in Skagit County.
