

ANNUAL EEO PUBLIC FILE REPORT
WOI
October 1, 2014 through September 30, 2015

The purpose of the EEO Public File Report ("Report") is to comply with Section 73.2080(c)(6) of the FCC's EEO Rule. This Report has been prepared on behalf of the Station Employment Unit that is comprised of the following station(s):

WOI

The information contained in this Report covers the time period beginning October 1, 2014 to and including September 30, 2015 (the "Applicable Period"). The FCC's EEO Rule Requires that this Report contain the following information:

1. A list of all full-time vacancies filled by the Stations comprising the Station Employment Unit during the Applicable Period;
2. For each such vacancy, the recruitment sources(s) utilized to fill the vacancy (including, if applicable, organizations entitled to notification pursuant to Section 73.2080(c)(1)(ii) of the EEO Rule, which should be separately identified), identified by name, address, contact person and telephone number;
3. The recruitment source that referred the hiree for each full-time vacancy during the Applicable Period;
4. Data reflecting the total number of persons interviewed for full-time vacancies during the Applicable Period and the total number of interviewees referred by each recruitment source utilized in connection with such vacancies; and
5. A list and brief description of the initiatives undertaken pursuant to Section 73.2080(c)(2) of the FCC rules.

Appendices 1, 2 and 3 which follow have been designed, in the aggregate, to provide the required information. Please note that the alphabet letters listed on Appendix 1 under the column entitled "Recruitment Sources Utilized" refer to the Recruitment Sources listed on Appendix 2.

For purposes of this Report, a vacancy was deemed "filled" when the hiree began work. A person was deemed "interviewed" whether he or she was interviewed in person, over the phone or by e-mail.

Covering the Period from October 1, 2014 through September 30, 2015

Station(s) Comprising the Station Employment Unit: WOI

Section 3: Supplemental (Non-Vacancy Specific) Recruitment Activities Undertaken by WOI

	Recruitment Initiative	Description
1	Participation in job fairs by station personnel who have substantial responsibility for hiring decisions.	On February 26, 2015 our News Director participated in the Iowa State University Greenlee Jump-Start Job & Internship Fair, which was open to students and alumni. We received 6 resumes and 2 students interested in an internship.
2	Participation in job fairs by station personnel who have substantial responsibility for hiring decisions.	On August 5-9, 2015 our News Director participated in the NABJ 2015 Convention & Career Fair, which was open to the public. We received 21 resumes.
3	Establishment of an internship program designed to assist members of the community to acquire skills needed for broadcast employment.	WOI has been involved in helping members of the community achieve their educational goals. WOI recruits students interested in the broadcast industry by widely advertising our internship program at career fairs and by educating managers to mention this opportunity when speaking with members of the community. Summer 2015 we hosted 2 interns from Iowa State University, 1 intern from Iowa Central Community College and 1 intern from Drake University.
4	Participation in event or program relating to career opportunities in broadcasting	On March 3, 2015 our Chief Meteorologist met with an upcoming ISU student who job shadowed him for a day. The student was interested in a career in broadcasting and wanted to get first-hand experience in that role.

	sponsored by educational institutions.	
5	Participated in event or program relating to career opportunities in broadcasting sponsored by educational institutions.	On September 8, 2015 our Meteorologist Sam Schreier traveled to Iowa State University to speak with Journalism students about a career in weather and broadcasting.
6	Participation in event or program relating to career opportunities in broadcasting sponsored by educational institutions.	On February 17, 2015 our Chief Meteorologist conducted a tour of the station for the ISU AMS Students. He discussed the station's history, educational background of the employees and answered questions regarding the weather center.
7	Providing training to management level personnel as to methods of ensuring equal employment opportunity and preventing discrimination.	EEO meetings are held periodically to educate department heads regarding their roles and responsibilities in the EEO process and to ensure that all departments are hiring and promoting in a non-discriminatory fashion.
8	Establishment of an internship program designed to assist members of the community to acquire skills needed for broadcast employment.	WOI has been involved in helping members of the community achieve their educational goals. WOI recruits students interested in the broadcast industry by widely advertising our internship program at career fairs and by educating managers to mention this opportunity when speaking with members of the community. Fall 2015 – Aug – December we had 1 intern: Iowa State University.
