Re: KFME(TV), Fargo, North Dakota, (Facility ID#53321 )

Dear Mr. Persh:

We have completed our review of the response of Prairie Public Broadcasting, Inc., as licensee of the above-referenced station, to the February 26, 2013 random audit letter sent to it in accordance with the provisions of Section 73.2080(f)(4) of the Commission's Equal Employment Opportunity (EEO) rules. As a result of our review, we find that no further action is required. In accordance with Section 73.2526(e)(10) of the Commission's rules for commercial stations or Section 73.3527(e)(11), for non-commercial stations, the station must place copies of this letter, our February 26 audit letter, and the station's response in its public inspection file. It must maintain these materials in the file until the grant, by final order, of the next renewal application of the license for the station. Additionally, pursuant to Section 73.3526(e)(10) of the Commission's Rules for commercial stations or Section 73.3526(e)(11) for noncommercial stations, the licensee must upload copies of this letter, our February 26 audit letter, and the audit response in each station's online public inspection file. The materials must remain in the online public inspection file until the next grant of the renewal application, by final order, of the license for the station to which the file relates.

Should you have any questions concerning this matter, you may call the EEO staff at (202) 418-1450. Thank you for your cooperation.

Sincerely,
