Re: Public Awareness/Quarterly Issues

In the period from April 1, 2015 through June 30, 2015, KJTH/KXTH/KZTH/KTHF/KTHL addressed the following issues of public concern. Numerous public service announcements were made on behalf of various local nonprofit organizations and churches from around the listening areas. We also passed along public information on severe and inclement weather for all of our Oklahoma listening areas & Southern Kansas. On the attached sheets other issues are listed which were broadcast over the program "Focus on the Family". "Focus on the Family" airs each weekday morning at 6:00 and 9:00, and in the evening at 6:00. In May, one of our DJs spoke to over 200 kids at a local school. On April 25th the stations participated in the Ponca City YMCA's annual Healthy Kids Day & on the 26th we provided music & water to those participating in the Oklahoma City Memorial Marathon. In May the stations provided our listeners with a list of local National Day of Prayer gatherings. In June, one of our DJs spoke to four different Vacation Bible Schools. On June 20th we hosted our annual Kid DJ Day. We saw over 1,100 kids and adults from over 54 different Oklahoma and Kansas communities come to our studios in Ponca City. The kids were given the opportunity to talk live on the radio & have fun outside at the various activities.
