Re: Public Awareness/Quarterly Issues

In the period from April 1, 2014 through June 30, 2014, KJTH/KXTH/KZTH/KTHF/KTHL addressed the following issues of public concern. Numerous public service announcements were made on behalf of various local nonprofit organizations and churches from around the listening areas. We also passed along public information on severe and inclement weather for all of our Oklahoma listening areas & Southern Kansas. On the attached sheets other issues are listed which were broadcast over the program "Focus on the Family". "Focus on the Family" airs each weekday morning at 6:00 and 9:00, and in the evening at 6:00. The station also hosted tours to various school, church, and scouting groups. In April our DJs spoke to over 350 kids at two local schools. On April 26th the stations participated in the Ponca City YMCA's annual Healthy Kids Day & on the 27th we provided music & water to those participating in the Oklahoma City Memorial Marathon. In May the stations provided our listeners with a list of local National Day of Prayer gatherings. In June, one of our DJs spoke to three different Vacation Bible Schools. On June 14th we hosted our annual Kid DJ Day. We saw over 1,900 kids and adults from over 48 different Oklahoma and Kansas communities come to our studios in Ponca City. The kids were given the opportunity to talk live on the radio & have fun outside at the various activities.

"Bringing Purpose to Your Prayer Life" Drop-In Topic: Senate Bill 175, known as the Reproductive Health Freedom Act, was seen as an ambiguous and unnecessary bill that sought to ban any state or local policy that would "deny or interfere with an individual's reproductive health care decision." Senator Bill Cadman shares his thoughts, highlighting our cause for celebration that the bill wasn't even brought up for discussion on the Senate floor.	04-21-2014	1002616	3:07 min.
