Re: Public Awareness/Quarterly Issues

In the period from July 1, 2017 through September 30, 2017, KJTH/KXTH/KZTH/KTHF/KTHL addressed the following issues of public concern. Numerous public service announcements were made on behalf of various local non-profit organizations and churches. In July, we had our annual "Summer Match Game" where we gave away many donated prizes to our listeners who played. One of the listeners from Wichita, KS, won a "Lake Party" and got to hang out with the staff and go out on the boat. On July 27th, we finished our annual pledge drive and completed our goal. On August 12th, we had one of our DJ's be a "Manny for a Day" at Frontier City Amusement Park in Oklahoma City. Our DJ was able to cater to the winner's family needs. They also got to go backstage and meet the Newsboys before the concert. On September 30th, we hosted our 16th annual Kid DJ Day where over 550 Kid DJs attended our local radio station and got to experience free fun activities. We also passed along public information on severe and inclement weather. And, on the attached sheets other issues are listed which were broadcast over the program "Focus on the Family". "Focus on the Family" airs each weekday morning at 5:30-6:00am.
