Re: Public Awareness/Quarterly Issues

In the period from July 1, 2013 through September 30, 2013, KJTH/KXTH/KZTH/KTHF/KTHL addressed the following issues of public concern. Numerous public service announcements were made on behalf of various local non-profit organizations and churches. We also passed along public information on severe and inclement weather. On the attached sheets other issues are listed which were broadcast over the program "Focus on the Family". "Focus on the Family" airs each weekday morning at 5:30 a.m. The station also hosted tours to various school, church, and scouting groups. In July we hosted free showings of the movie Home Run to anyone living in and around Ponca City & Stillwater. Home Run is a movie that highlights Celebrate Life, an organization to help those with addictions. In August we were a part of an outreach in Enid called Feeding the Neighborhood. This event saw 500-700 people attend. Those attending received backpacks of school supplies, free haircuts, shoe vouchers, safety training and more. Also in August we attended back to school events at OSU in Stillwater and OBU in Shawnee, and sponsored Exposed, a conference geared toward helping those suffering from various addictions and helping churches respond to those in their community, in Ponca City. In September we co-sponsored a Back to School event for Ponca City Senior High School which saw over 300 kids in attendance. The purpose of the event was to discourage underage drinking. We also attended the Enid Cherokee Strip parade, and featured calls from all over the state about area See You at the Pole events.
