Re: Public Awareness / Quarterly Issues

In the period from October 1, 2020, through December 31, 2020, radio stations KJTH/KZTH/KXTH/KTHL/KIXO/KTHM/KTHF addressed several issues of public concern. Numerous public service announcements were made on behalf of various local non-profit organizations and churches. In the month of October, we had a promotion for our annual "Minister Appreciation Month" contest. Listeners had the opportunity to nominate their favorite minister to win the grand prize of a Keurig Elite & a gift basket that included a \$50 VISA gift card. We also hosted a Bedlam Blood Drive with the Oklahoma Blood Institute collecting blood donations both at our station and in Stillwater, Oklahoma. Our DJ's played a Bedlam blood donating battle during the afternoon show on air to see which site would receive the most donations. We were able to attend and promote the for King & Country Drive-In Concert located in Enid, Oklahoma. Car passes were given on air as giveaways to listeners who participated. We also encouraged listeners to decorate their car for a contest on social media for a chance to win a gift card and merchandise from for King & Country. In November, we partnered with the Salvation Army for our annual "Turkey for Tunes" promotion. This year instead of it being hosted by several local grocery stores across our listening areas, it was a virtual event. We received over 100 turkeys that were donated to the Salvation Army for families during the holidays. In December, we hosted a two day fundraiser to help finish out the end of year strong. As part of the fundraiser, we partnered with the regional Food Banks in Kansas and Oklahoma to help feed families that were in need. Thanks to the support of our listeners, 2,700 meals were donated through the partnership. We also partnered with the "Festival of Angels" organization to pass out candy canes, promo cards, and Ponca City Holiday Events information cards to more than 20,000 motorists that came to see the light display at Lake Ponca in Ponca City, Oklahoma. The House FM also passed along public information on severe and inclement weather. And, on the attached sheets, other issues are listed which were broadcast on the program "Focus on the Family". "Focus on the Family" airs each weekday from 5-5:30am.

Title Forgiveness and Healing for Post-Abortive Women
Length 26 minutes
Description Jim Daly is joined by Laurie Haynes and Lindsay Christensen to offer God's compassion, forgiveness and healing to women (and men) who have experienced abortion. Laurie Haynes had an abortion while in nursing school and suffered with grief and guilt for many years until she experienced God's healing and forgiveness. Today she is a director of post-abortion support at a pregnancy resource center in Illinois. Lindsay Christensen is a licensed counselor who serves Chief Operating Officer for a pregnancy resource center in Texas. She shares powerful stories about women she has counseled – stories of hope and transformation.

Date 10/23/2020
Title Hope for the Anxious During Unsettling Times
Length 26 minutes
Description With all the unsettling news we see daily about the COVID-19 pandemic, racial tension and protests, and the upcoming election, we are bombarded with situations and circumstances that can leave us feeling anxious and worried. Deborah Pegues offers an insightful look at worry and anxiety, giving us effective ways to deal with the stress they cause and find peace of mind. She'll encourage us with her humor and heart, calling us to seek God in all we do.

Date 11/02/2020
Title Restoring Faith and Family in America
Length 24 minutes
Description Former Arkansas Governor Mike Huckabee and former White House Press Secretary Sarah Sanders share about their dad-daughter relationship and other family stories. They also talk about their love for America, appreciation for our Judeo-Christian heritage, the importance of defending religious freedoms and honoring all human life, while encouraging those who fear God to shine a light in a dark culture.

Date 11/09/2020
Title Helping Your Teens Put Down Their Screens
Length 27 minutes
Description Screen time is an issue parents are always facing, especially with teens. Whether it's video games, social media, texting, streaming shows...our kids want to consume as much as they can! On this one-day Focus on the Family broadcast, Jonathan McKee and his daughter Alyssa explain that while screens and phones can be a great tool, they certainly cannot replace good old-fashioned conversation. They'll help you better understand the impact screens have in our lives and offer some tips on how to get your teen step away and engage in healthy, face-to-face communication.

Date 12/01/2020
Title Helping Children Understand How They Feel
Length 26 minutes
Description Josh and Christi Straub are passionate about helping young children and their parents identify and navigate their emotions. In today's culture, many people really don't know what they are feeling, and may have learned to suppress or numb their "undesirable" emotions since childhood. The danger is that those emotions will eventually surface in inappropriate ways. The Straubs describe how they helped their young son navigate his fear of going to a new school. They also helped their young daughter understand how to express her anger in healthy ways.

Date 12/10/2020 & 12/11/2020
Title Are Your Five Core Needs Being Met? I-II
Length 54 minutes
Description Everyone has needs because that's how God created us — with core needs that only God can ultimately fulfill. Dr. Kathy Koch has identified five core needs — security: who can I trust?, identity: who am I?, belonging: who wants me?, purpose: why am I alive?, and competence: what do I do well? Human beings often try to fill their core needs with counterfeits; but Christians need to share the message that we were created by God and in Him all of our needs are met. Dr. Koch emphasizes the point of having trustworthy friends who can help you meet your needs in healthy ways, and even learning to trust yourself — that you can grow and learn from your mistakes. She also emphasizes the need for hope and optimism, instead of negativity, in order to be healthy and whole according to God's design.
