Re: Public Awareness/Quarterly Issues

In the period from April 1, 2016 through June 30, 2016, KJTH/KXTH/KZTH/KTHF/KTHL addressed the following issues of public concern. Numerous public service announcements were made on behalf of various local non-profit organizations and churches. We also passed along public information on severe and inclement weather. On May 5<sup>th</sup>, we spoke at the Ponca City High School Career Fair on the possibilities in radio to about 200 kids. On May 8<sup>th</sup>, we spoke to the kids at Ponca City Christian Academy about careers in radio, and what we do in the community. And, on the attached sheets other issues are listed which were broadcast over the program "Focus on the Family". "Focus on the Family" airs each weekday morning at 5:30 a.m. The station also hosted tours to various school, church, and scouting groups.

## **FOCUS ON THE FAMILY BROADCASTS ABOUT ISSUES (Daily Broadcast) June 2016**

**June 14<sup>th</sup> and 15<sup>th</sup>** FINDING HOPE IN THE MIDST OF **DOMESTIC VIOLENCE** - I Guest: Mrs. Doris Rivera-Black Hosts: Mr. Jim Daly and Mr. John Fuller. Doris Rivera-Black has a dramatic testimony of living in an abusive marriage for five years. Her once sweet and gentle husband turned daily life into a nightmare of irrational jealousy, controlling behavior, verbal abuse, psychological manipulation and sexual assault. But due to her guilt over a failed first marriage and her religious upbringing, Doris felt compelled to continually forgive her abuser and try to “fix” her marriage. However, when her daughter shared that she feared for her mother's safety every time she was alone with her stepfather, Doris took action to separate. Her husband retaliated by kidnapping her at gunpoint, sexually abusing her and planning to kill her. Miraculously Doris escaped, gave her life to Christ, learned to forgive her abuser and now has a ministry, offering help and healing to other victims of domestic violence.

**June 16<sup>th</sup> and 17<sup>th</sup>** DISCOVERING THE **BEST WAYS TO EDUCATE YOUR CHILD** - I Guest: Mrs. Carol Barnier Hosts: Mr. Jim Daly and Mr. John Fuller. Our guest on this two-day broadcast, Carol Barnier, is a homeschooling mom who shares with humor and hope, how you can help your child learn and succeed in school. She explores three basic learning styles-- kinesthetic, visual and auditory--and explains that often children have a combination of these styles. Carol encourages parents to believe in their children, regardless of the school struggles and give them a springboard for success.
