Re: Public Awareness / Quarterly Issues

In the period from January 1, 2022, through March 31, 2022, radio stations KJTH/KZTH/KXTH/KTHL/KIXO/KTHM/KTHF addressed several issues of public concern. Numerous public service announcements were made on behalf of various local non-profit organizations and churches. In the month of January, the "Artist House Call" was Jordan St. Cyr. He zoomed with 10 of our listeners who randomly won to be in this experience. In the call, Jordan St. Cyr played his new song for our listeners called "Weary Traveler." He also talked about his family and a few things that he was passionate about. February was a busy month for our staff. We partnered with the Wichita Thunder Hockey team for a Faith & Family Night for our listeners. Listeners and donors of the station were eligible to win free tickets to the Faith & Family Night by texting the word "Hockey" to our exclusive House text line when an on-air DJ mentioned the Wichita Thunder. We had over 100 entries for this on air promotion. Also in the month of February, we promoted our Valentine's Day contest to listeners on air and on social media. Anybody who entered were eligible to win tickets to see Steven Curtis Chapman in concert, a \$50 Visa giftcard and a special Valentine's Day "movie night" bundle that featured the new movie American Underdog. In March, we kicked off our annual Spring Fundraiser to raise the funds necessary to help meet our 2022 non-profit budget. We also partnered with Homeless Alliance during our Spring Fundraiser and with the help of our donors, we were able to donate 3,100 meals to the Homeless Alliance in Oklahoma City. Also in the month of March, we had a social media contest called "Music of March" where listeners went to our Facebook and Instagram page and voted for their favorite artist/band. There were 32 Christian artists listed to vote for and listeners took advantage of this contest. We had over 4,000 votes for this contest. A randomly selected winner won a merchandise pack from the artist that won the Music of March contest who was Tauren Wells. Our team went to several different promotional events this month that included the Winter Jam Concert, Coffee with Colton Dixon, and For King and Country signing at Mardel. The House FM also passed along public information on severe and inclement weather. And, on the attached sheets, other issues are listed which were broadcast on the program "Focus on the Family". "Focus on the Family" airs each weekday from 5-5:30am.

| Title | Giving Up Sugar, Tasting God's Goodness |
| Length | 26 minutes |
| Description | As a latchkey kid, Wendy Speake turned to sugar for comfort. Every Friday, she would pedal to the candy show and use her allowance to fill her bag with candy. And one day, when she was older and a mom of three young boys, she came to realize that she was still "pedaling" away from her stress and using sugar as comfort, instead of turning to Jesus. She was joyless, worn out, tired, and in need of a change. In this interview, Wendy will challenge Christians to take 40 days to focus on fasting from something they turn to instead of Jesus for comfort. She invited people to break free from a dependence on sugar and taste the goodness of God. |
