Re: Public Awareness/Quarterly issues

In the period from July 1, 2016 through September 30, 2016, KJTH/KXTH/KZTH/KTHF/KTHL addressed the following issues of concern. On August 13th, we showed a movie, God's Not Dead2 for FREE at the Poncan Theater where over 900 people attended. Leading up to September 28th, we made students aware of the National Day of Prayer, and encouraged students to join others to pray for their school, teachers, parents, and leaders in the community. Numerous public service announcements were made on behalf of various local non-profit organizations and churches. We also passed along public information on severe weather and inclement weather. We broadcast "Focus On The Family" each weekday morning between 5:30 and 6:00 and they cover issues of concern for today's families. The station also hosted some tours from homeschool students, church groups, and scouting groups.
