Synopsis: Topics Discussed on Today’s Program:

Topic: Today on Insight, John and Josh Rosenstern discuss the State of the Union tonight with President Biden addressing the American public amid very low polling. Many say because Americans are so dissatisfied, and it is an election year, this will be Biden’s most important campaign speech. Donald Trump is also expected to speak, and correct Biden’s speech, as he has been said to be very eager to debate the President. Biden’s speech is expected to highlight the US economy and inflation, and blame “corporate greed” and the need to implement some very specific taxation tactics.
